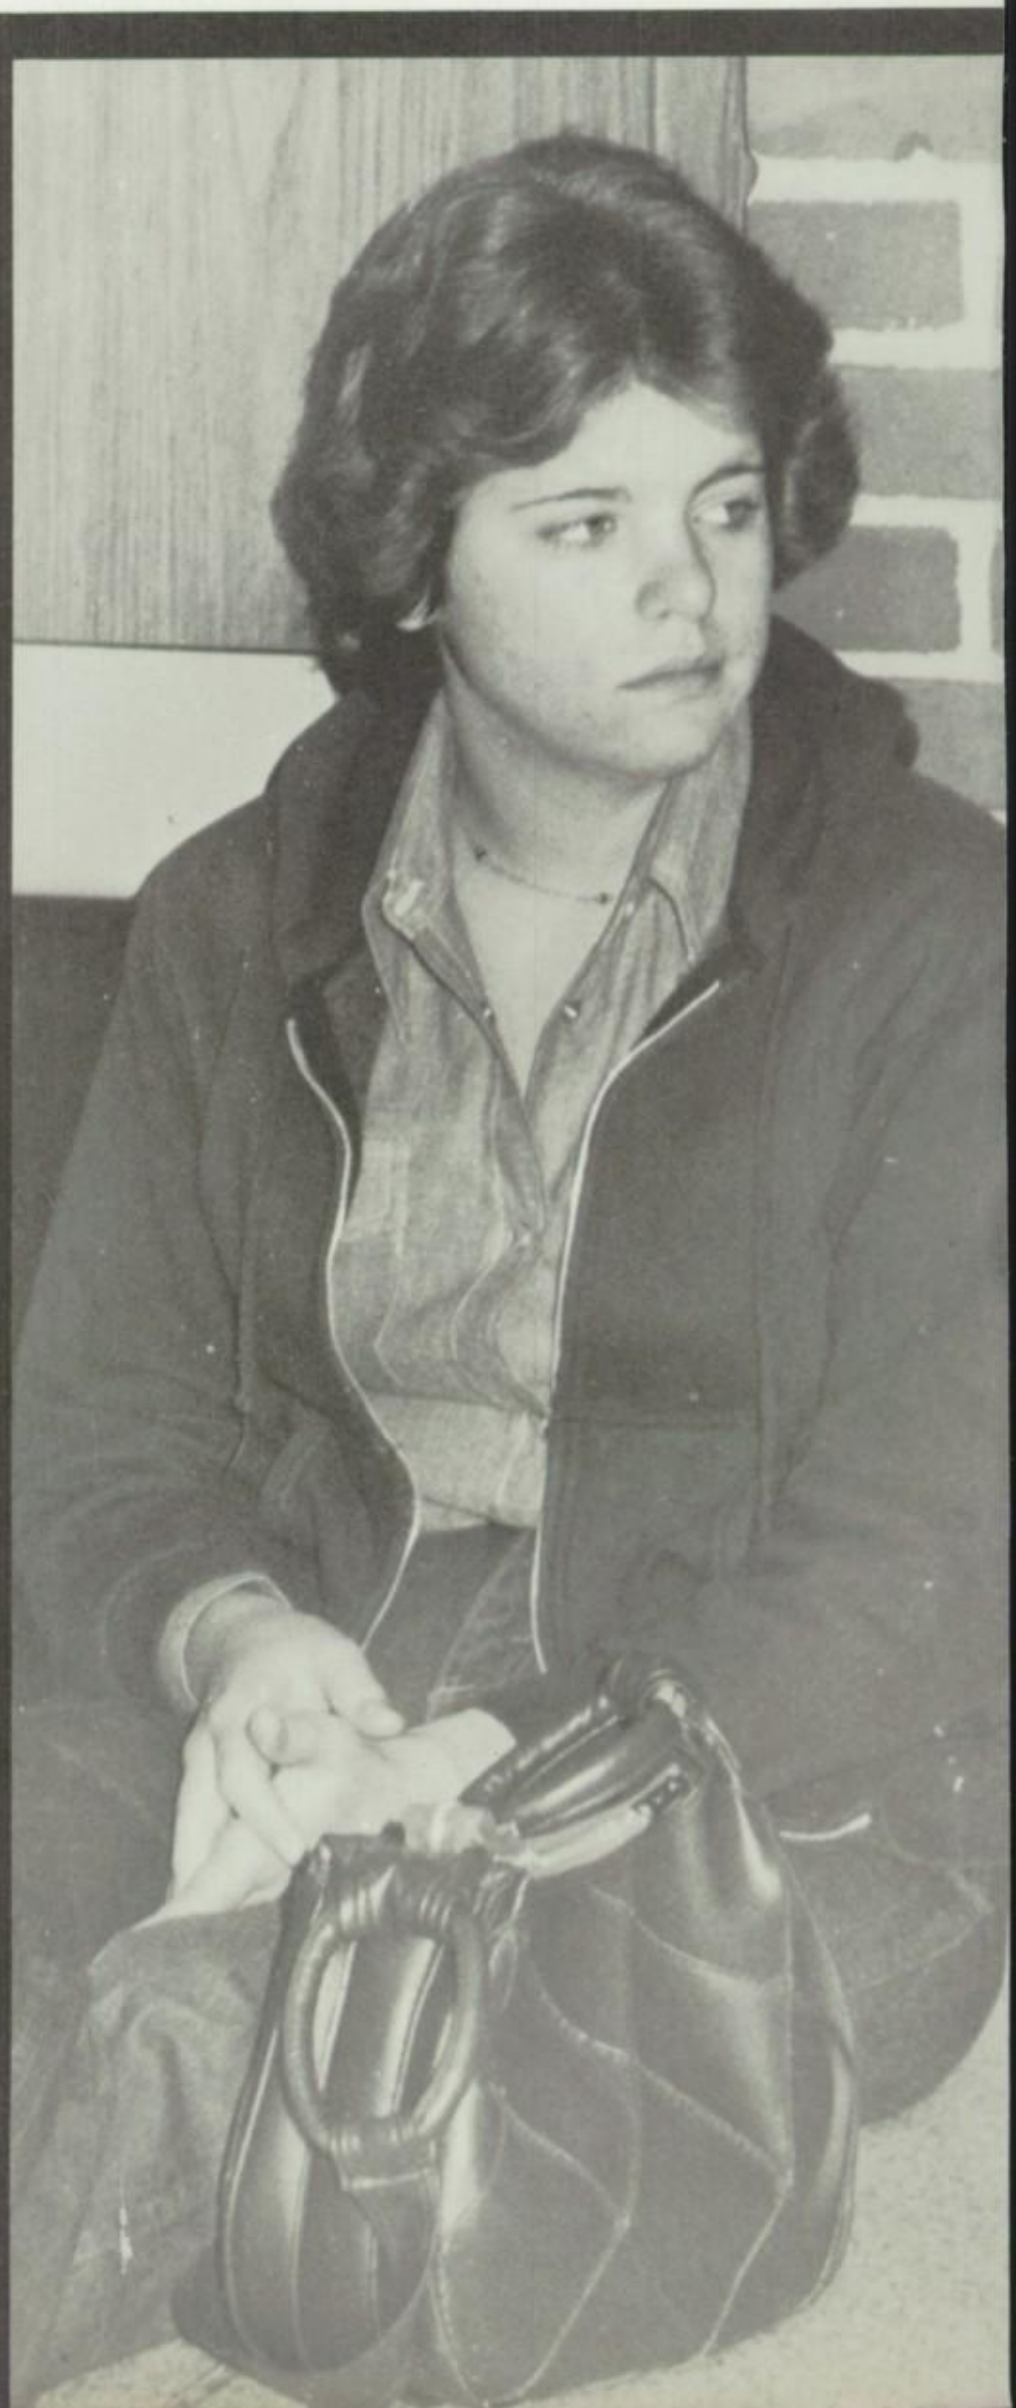
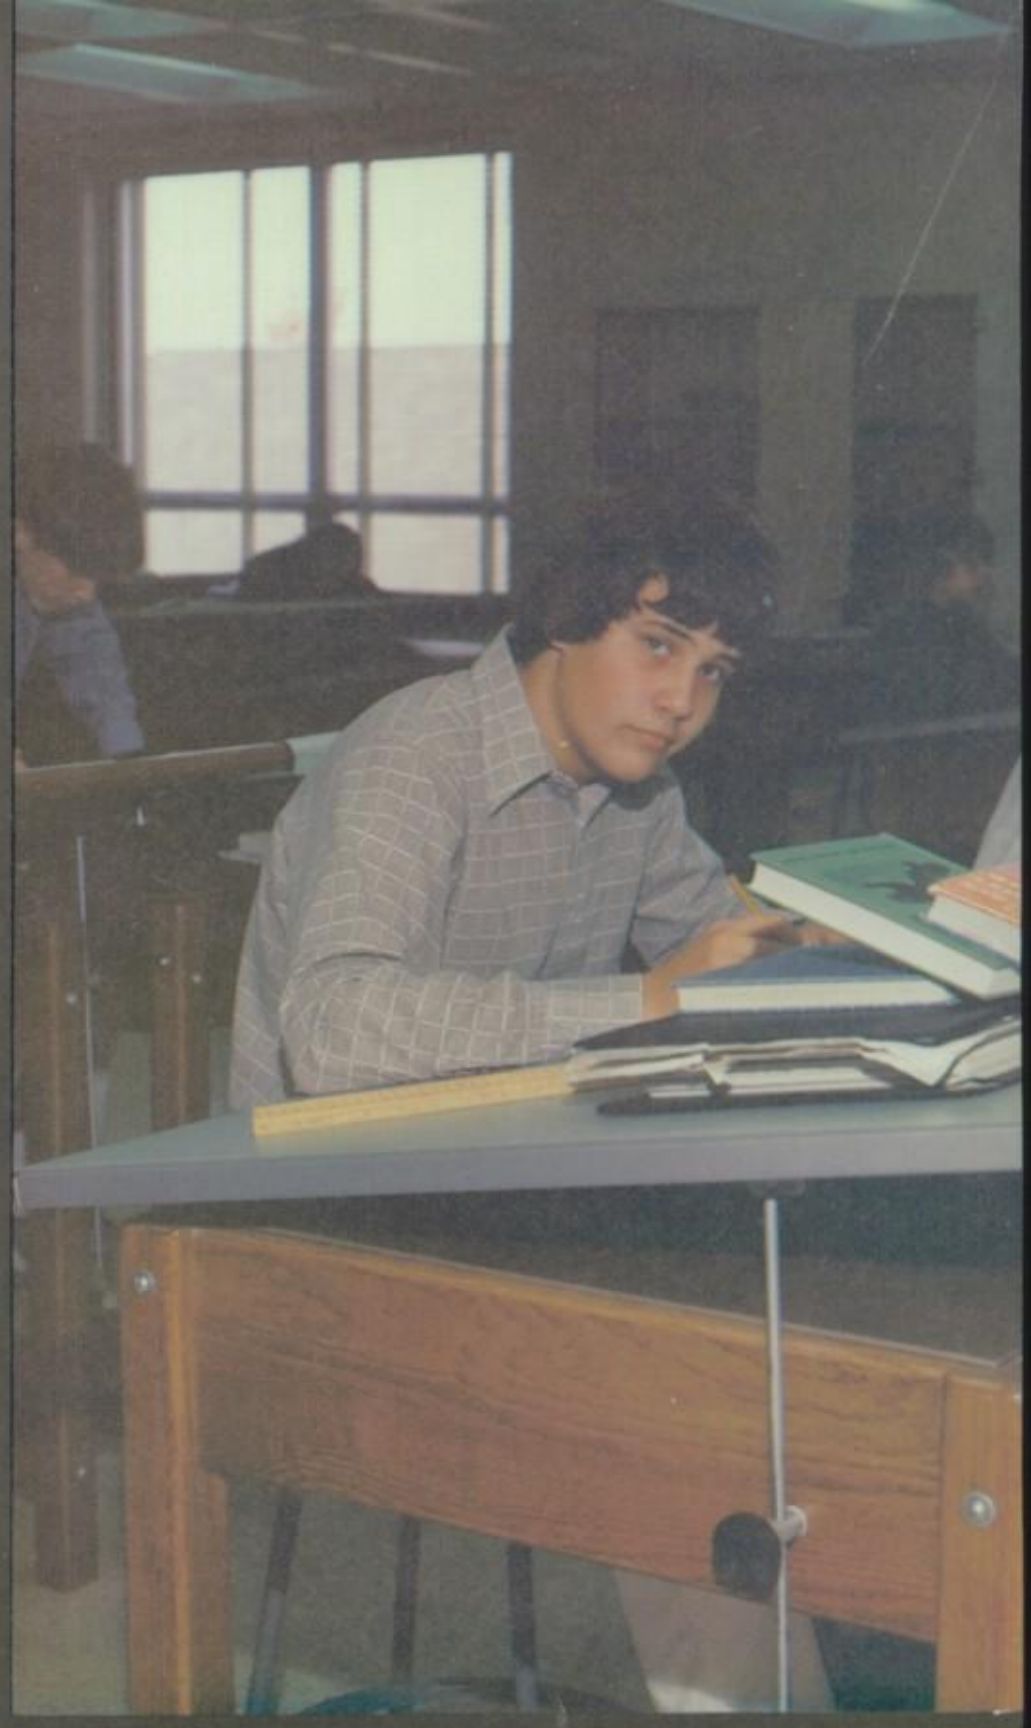
I'm going to miss
this old school
for a million
different reasons . . .
I remember
what it was like
to be new around here . . .

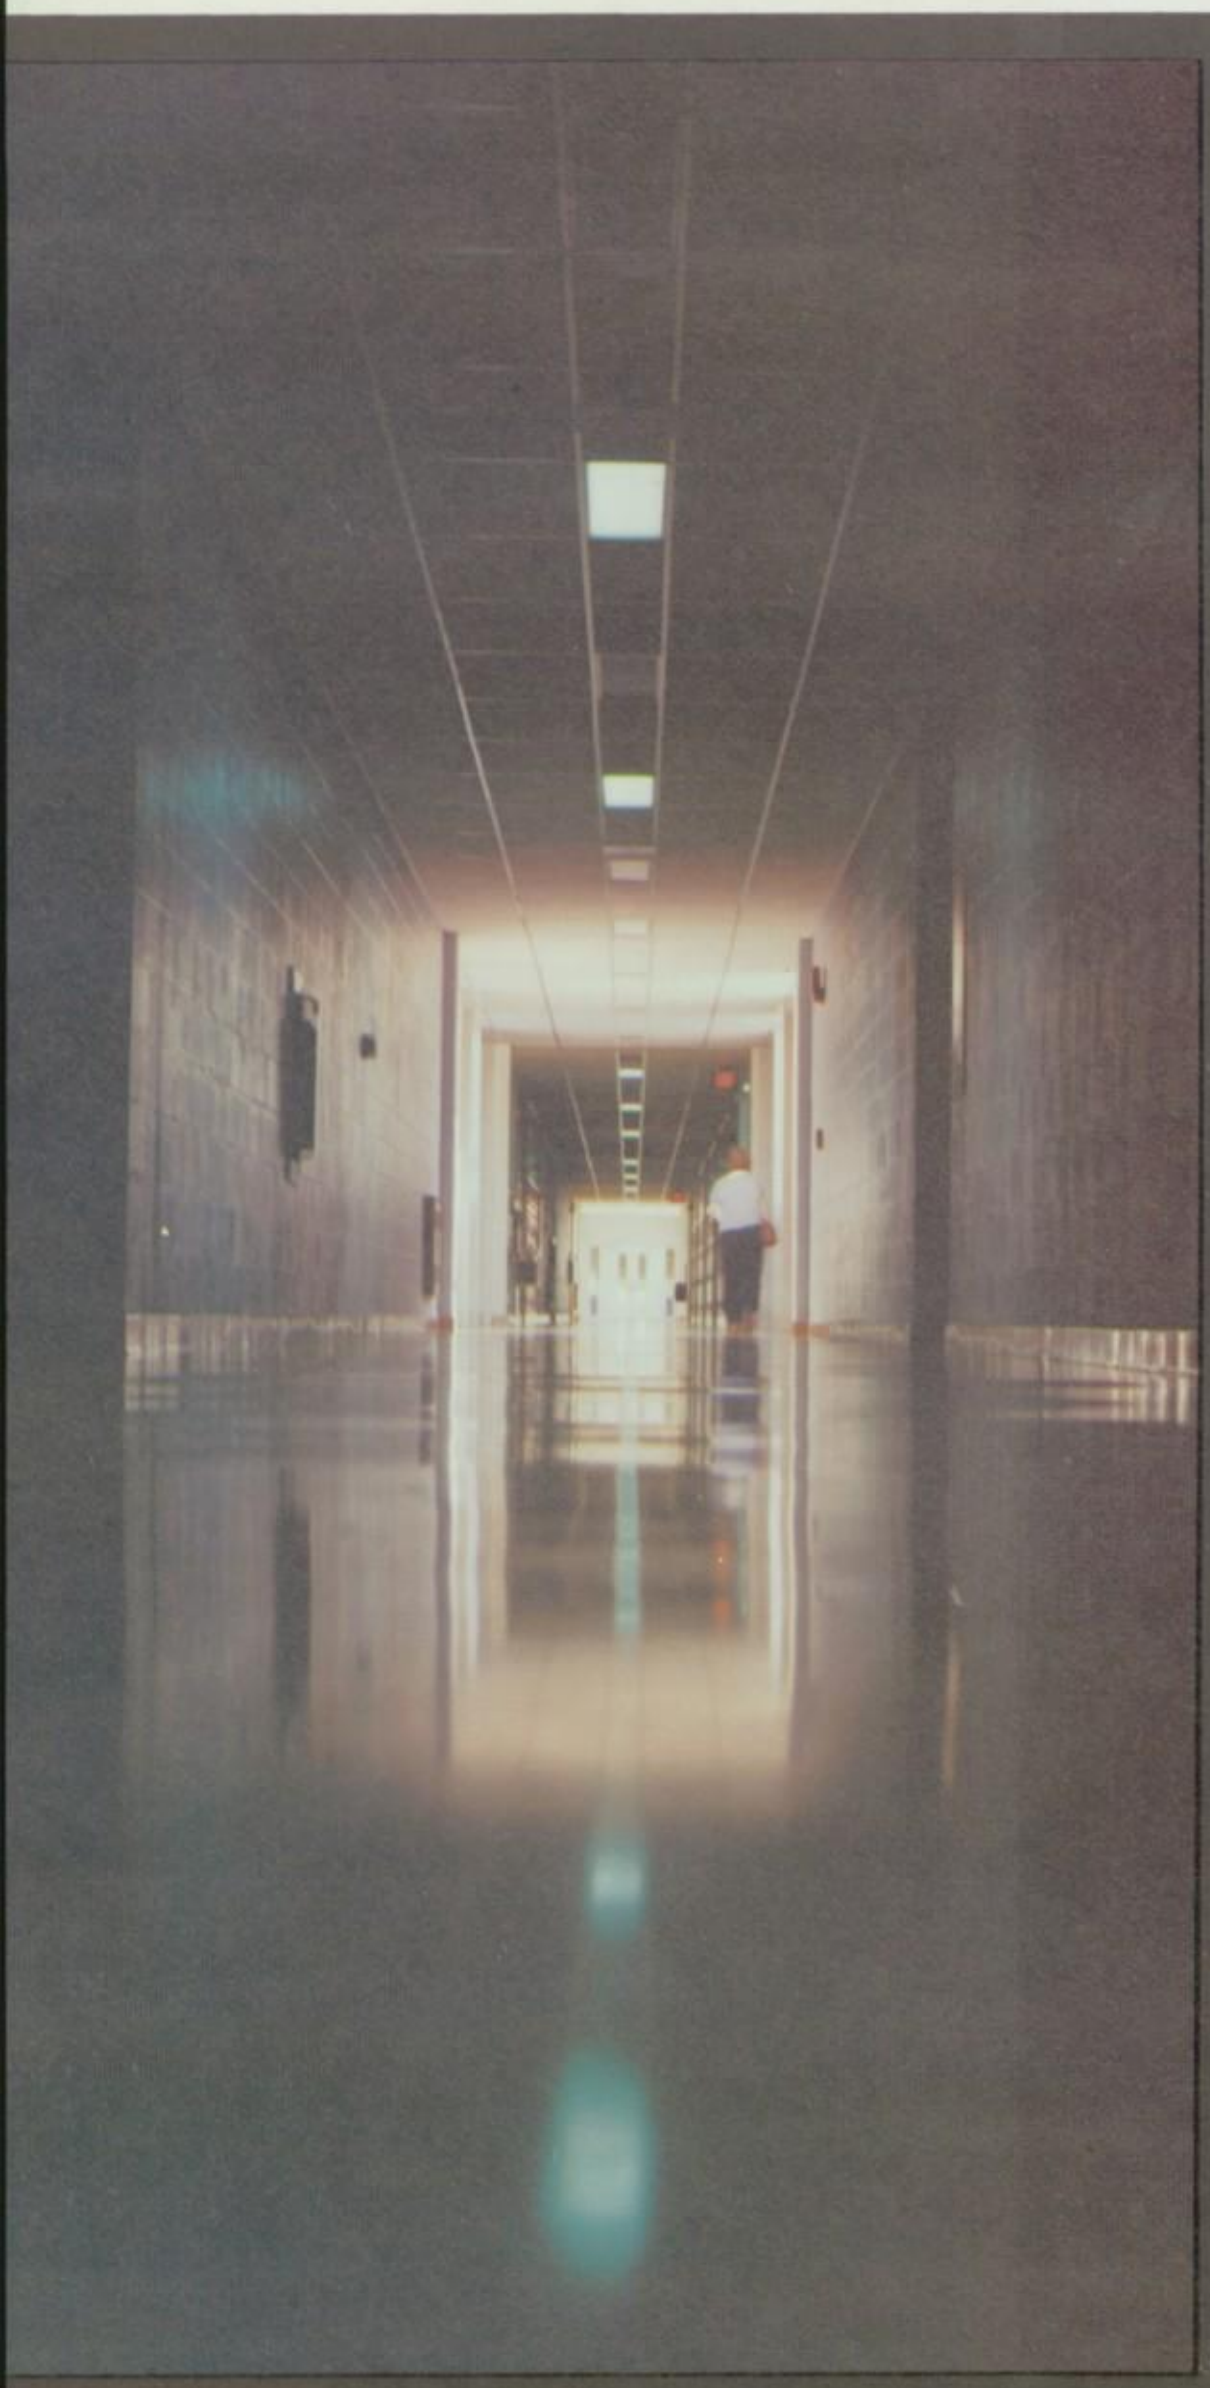


MHW
$5.00

the place seemed
a little bigger then,
and though
I never admitted it,
a whole lot scarier!

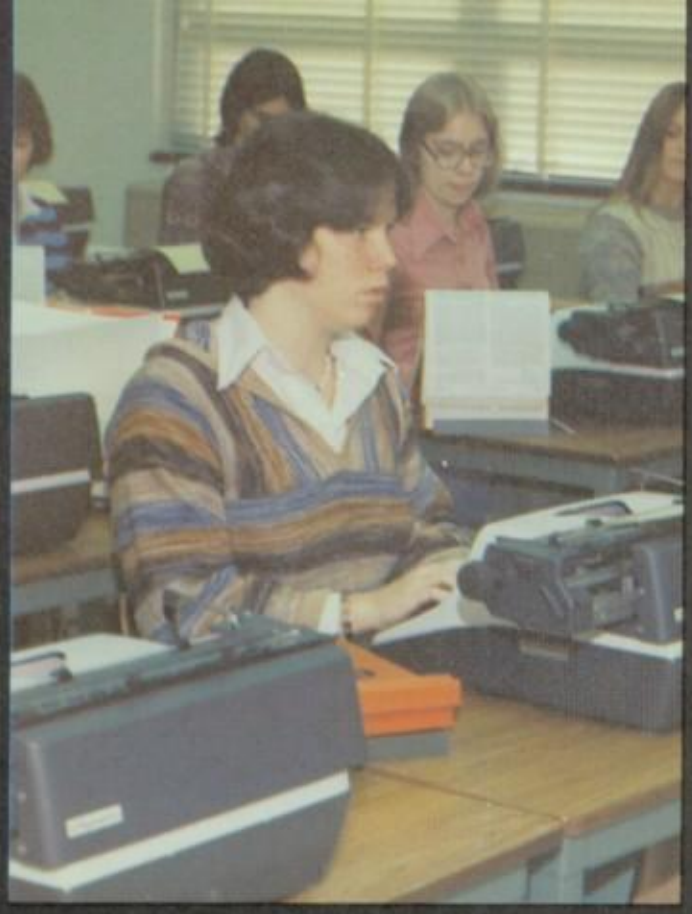
I remember searching hallways
and stairways and auditoriums
filled with unfamiliar faces,
hoping to find someone
to share my confusion with . . .
and feeling so grateful
whenever anyone smiled.

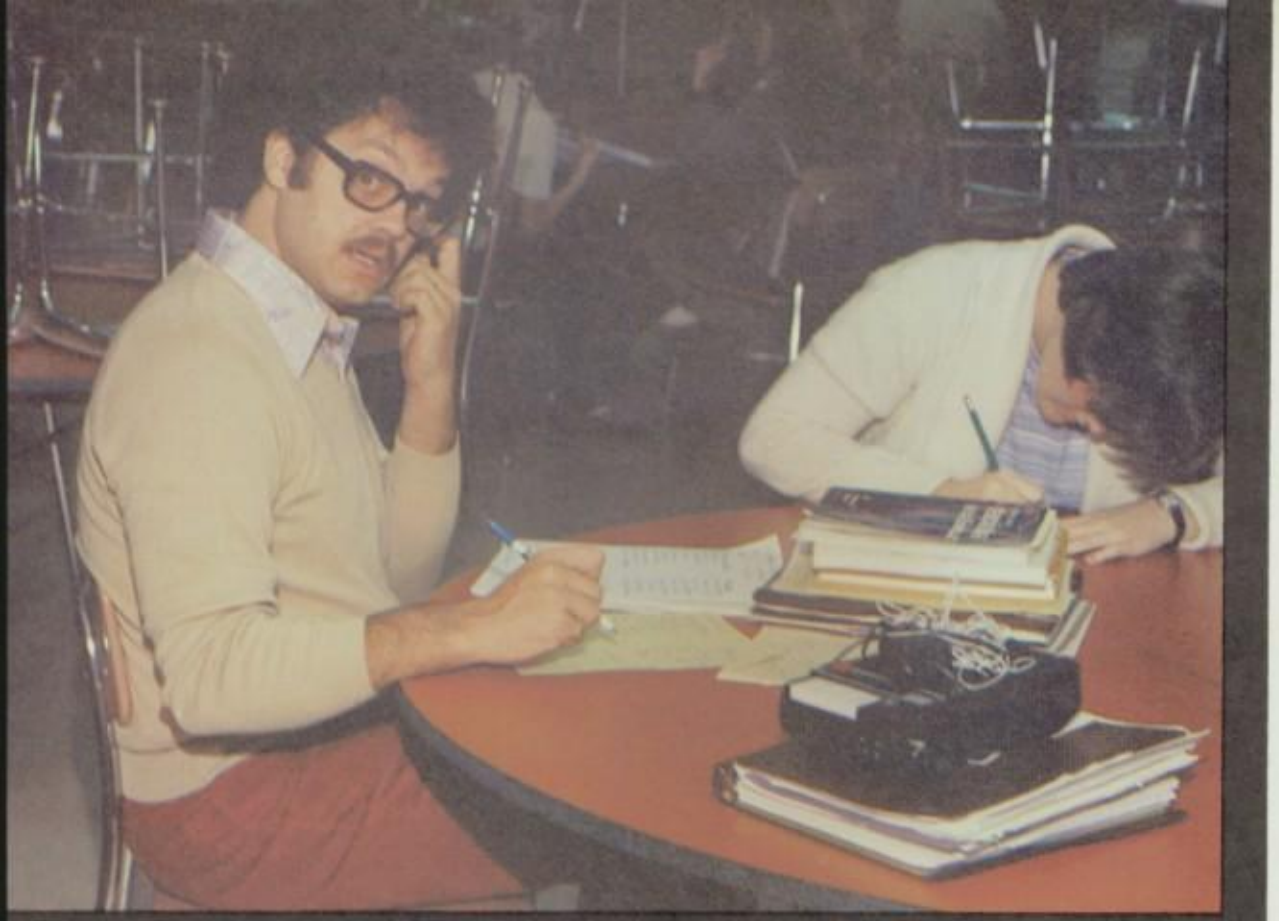


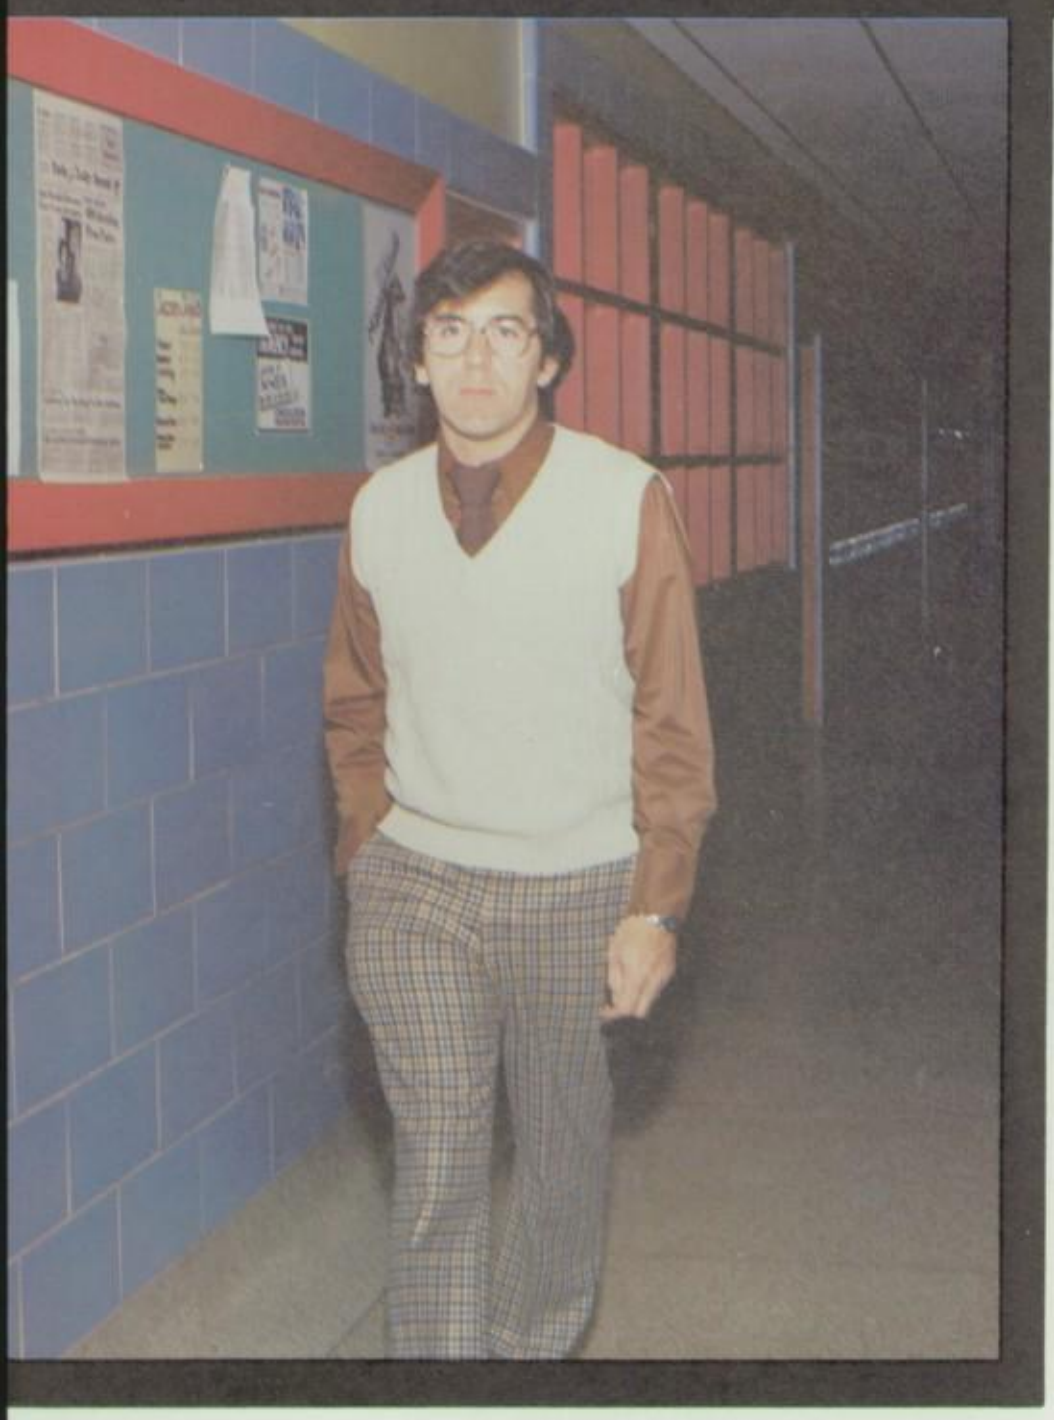


For awhile,
I wondered how I
was ever going to fit
into this strange,
super-sophisticated
world . . .

but now I wonder
what I was so
worried about . . .
the confidence came . . .
and so did the fun!

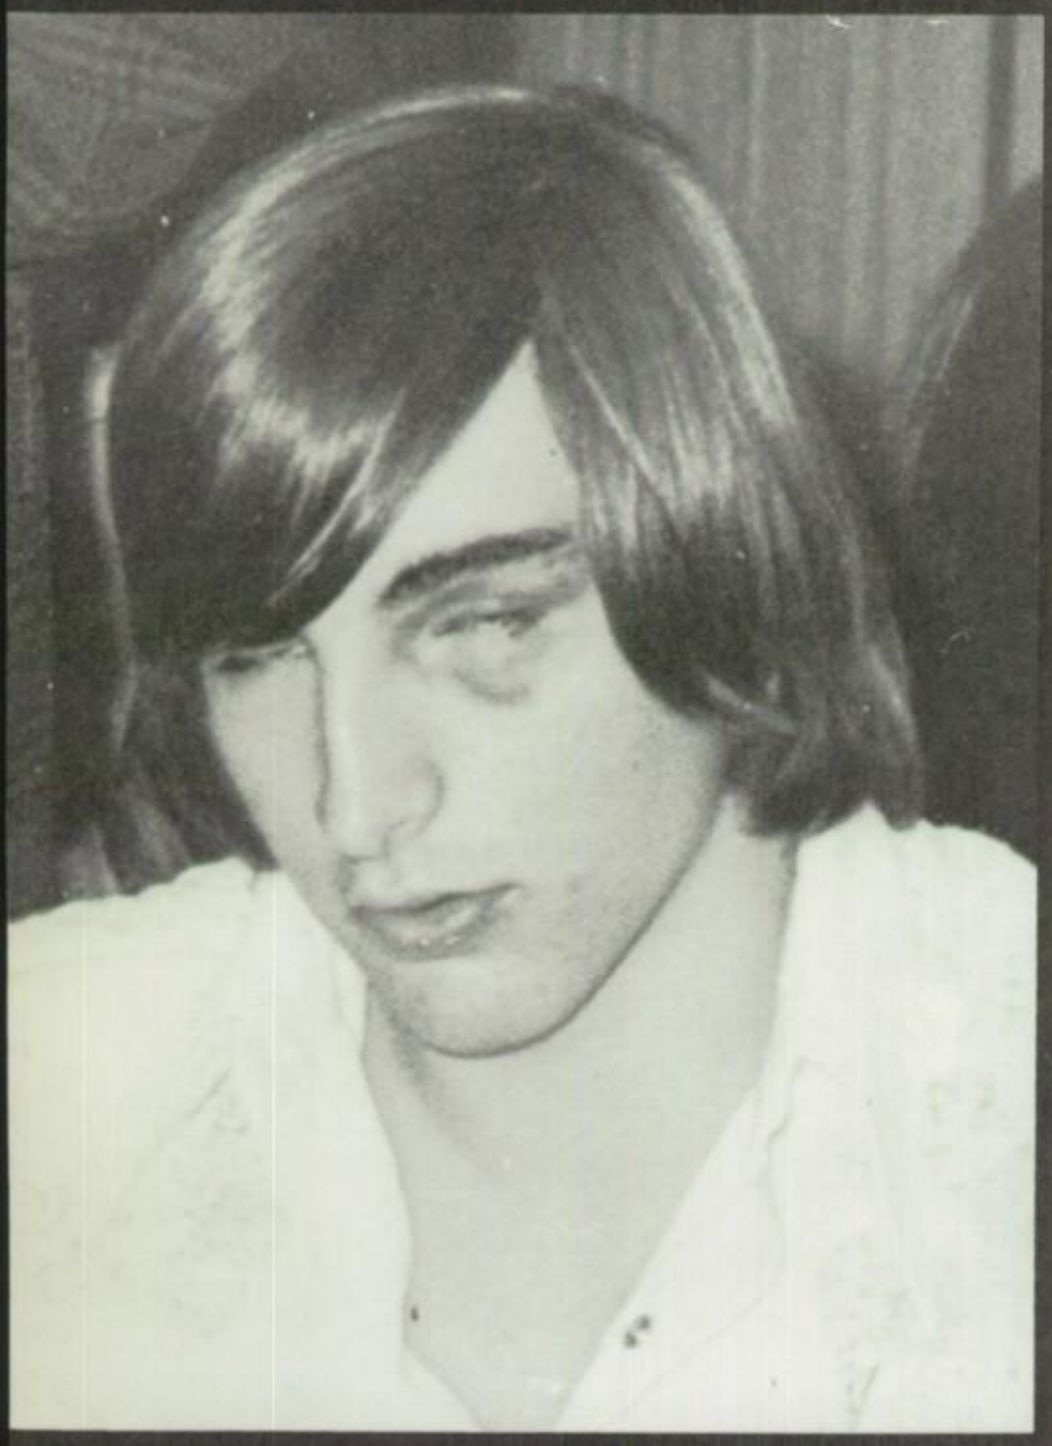






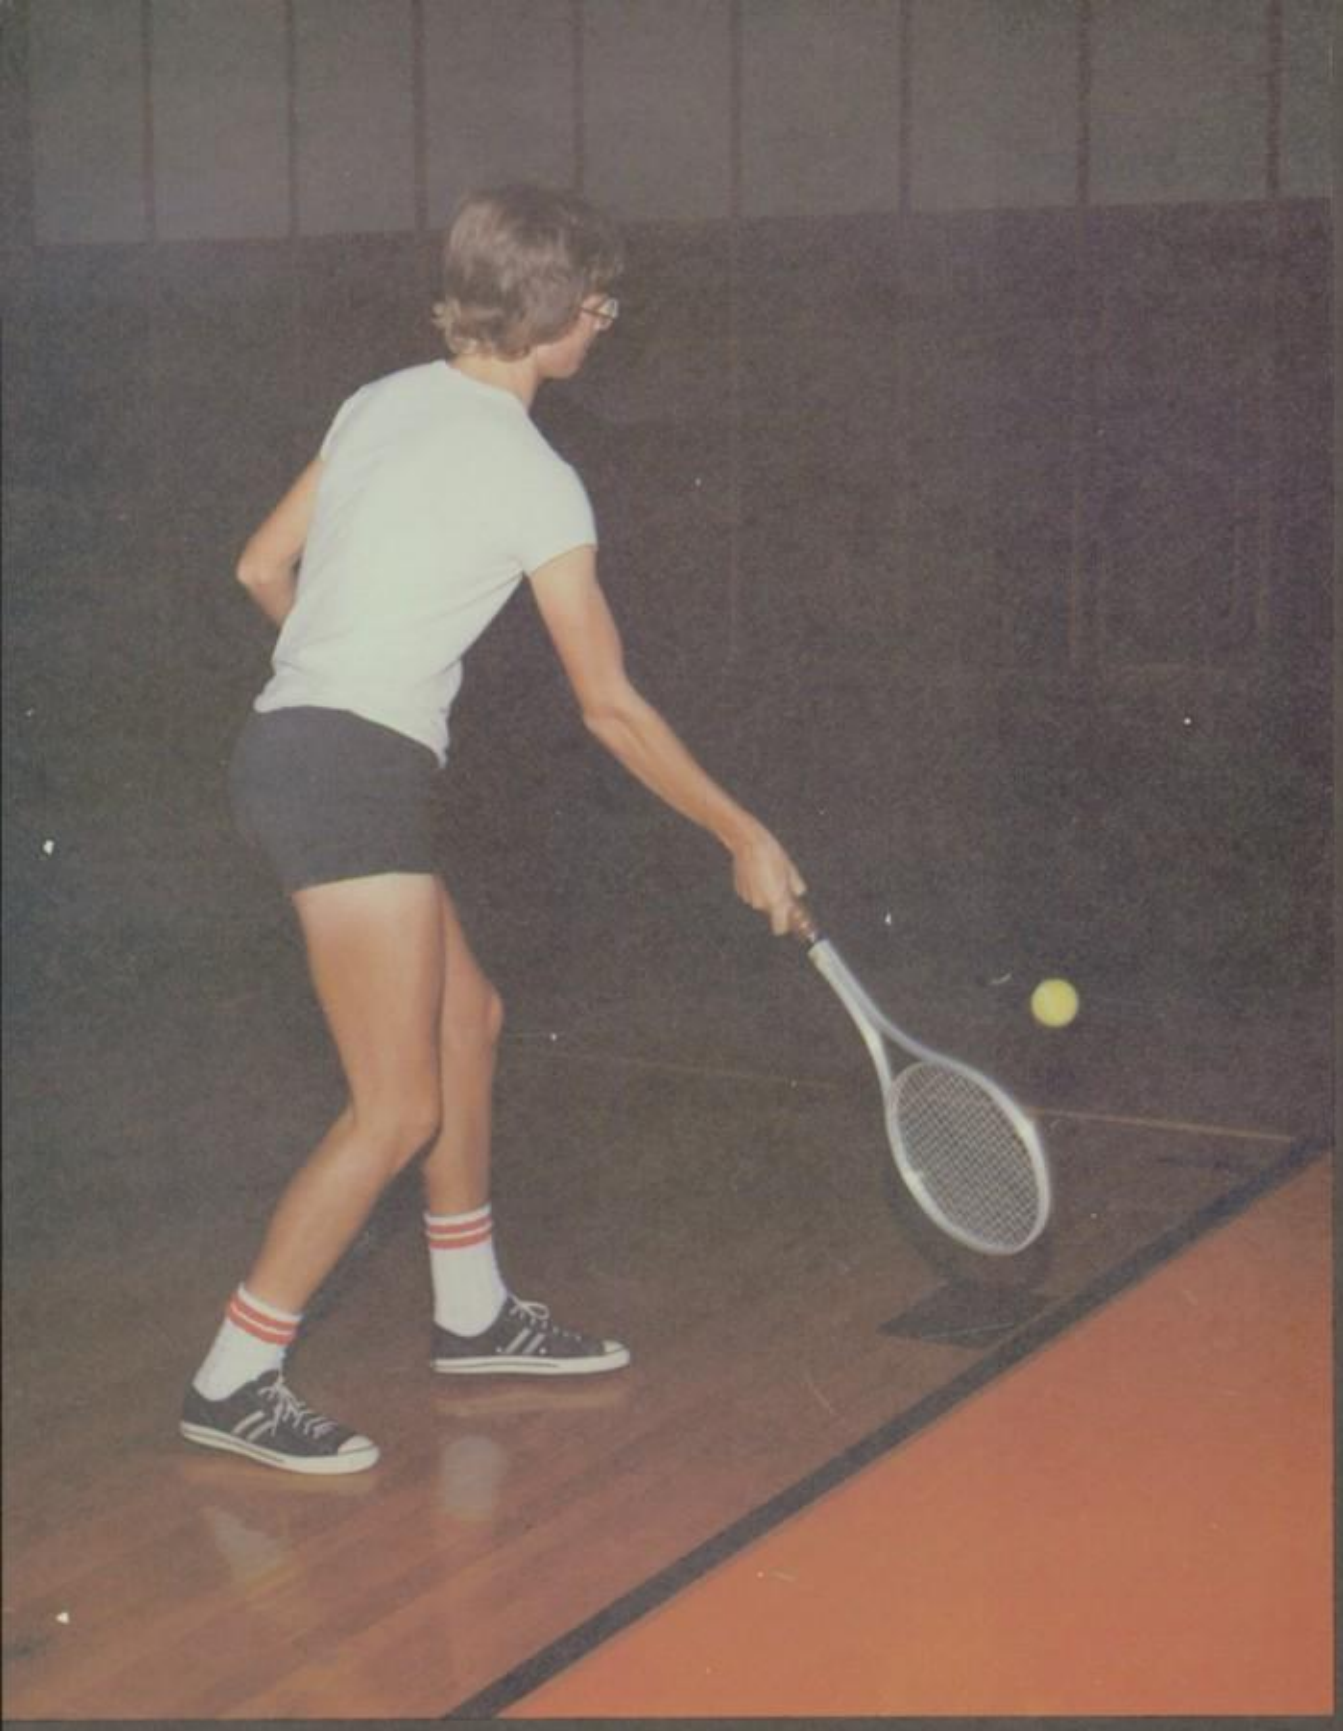
What an assortment
of unforgettable
characters
I've met here!
There were classmates
I liked right from
the start,
and those who took
a little getting
used to . . .
There were teachers
I loved,
and teachers
I survived . . .

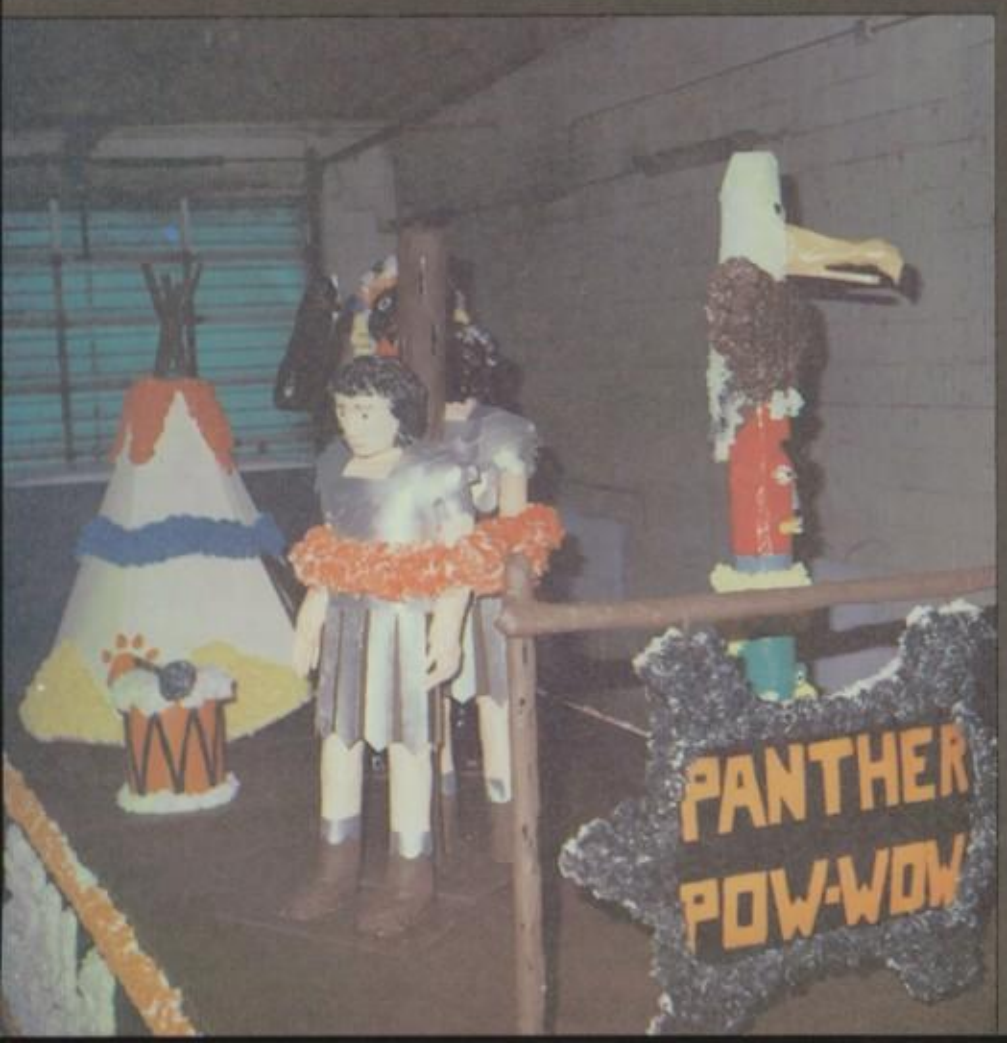
Most of all,
there were the good
friends I made here . . .
and all the together
times we shared,



I remember times
when we won together
and times when we lost . . .

Times when we worried
together,
and times when we
celebrated . . .
but how do you ever
say thanks
for a mindful
of beautiful memories?





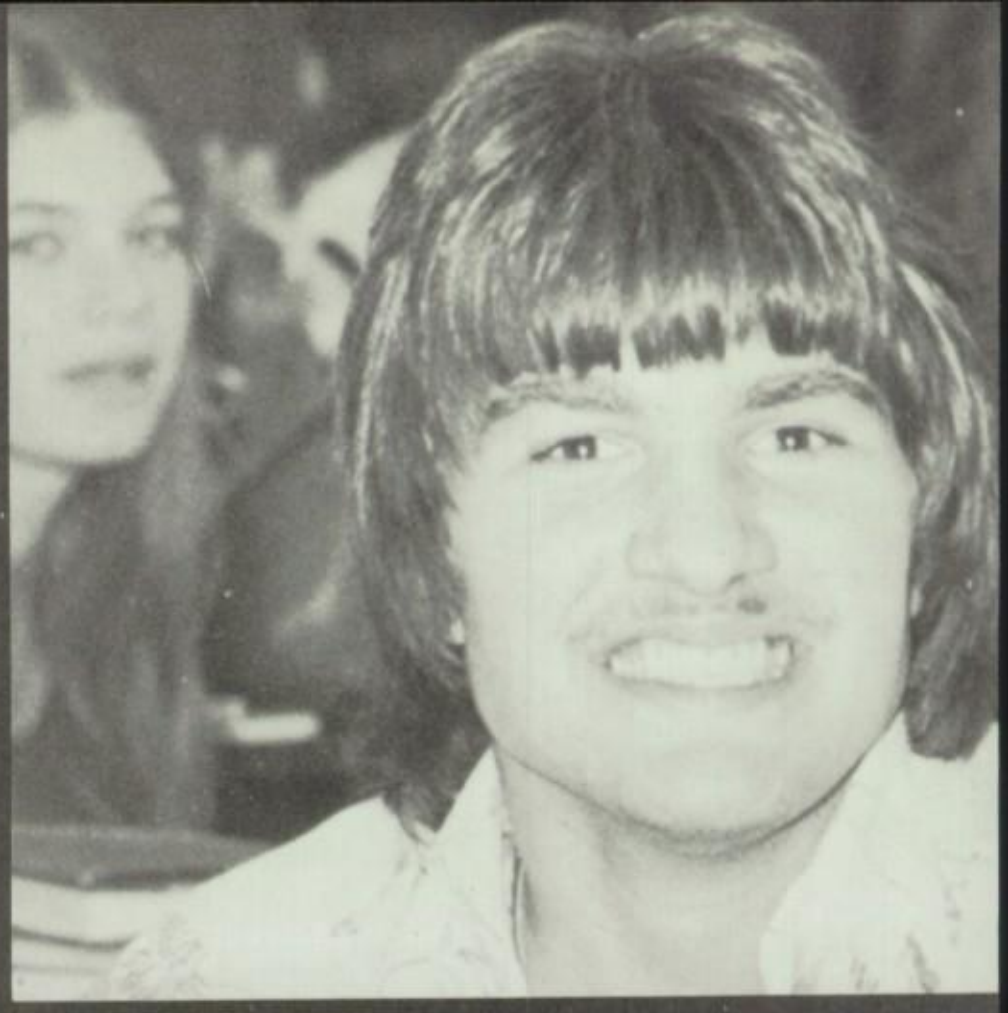
Looking back
I'm amazed that so many
crazy and colorful things
could have happened
in just these few years,
but I'm glad
they all happened
to me!

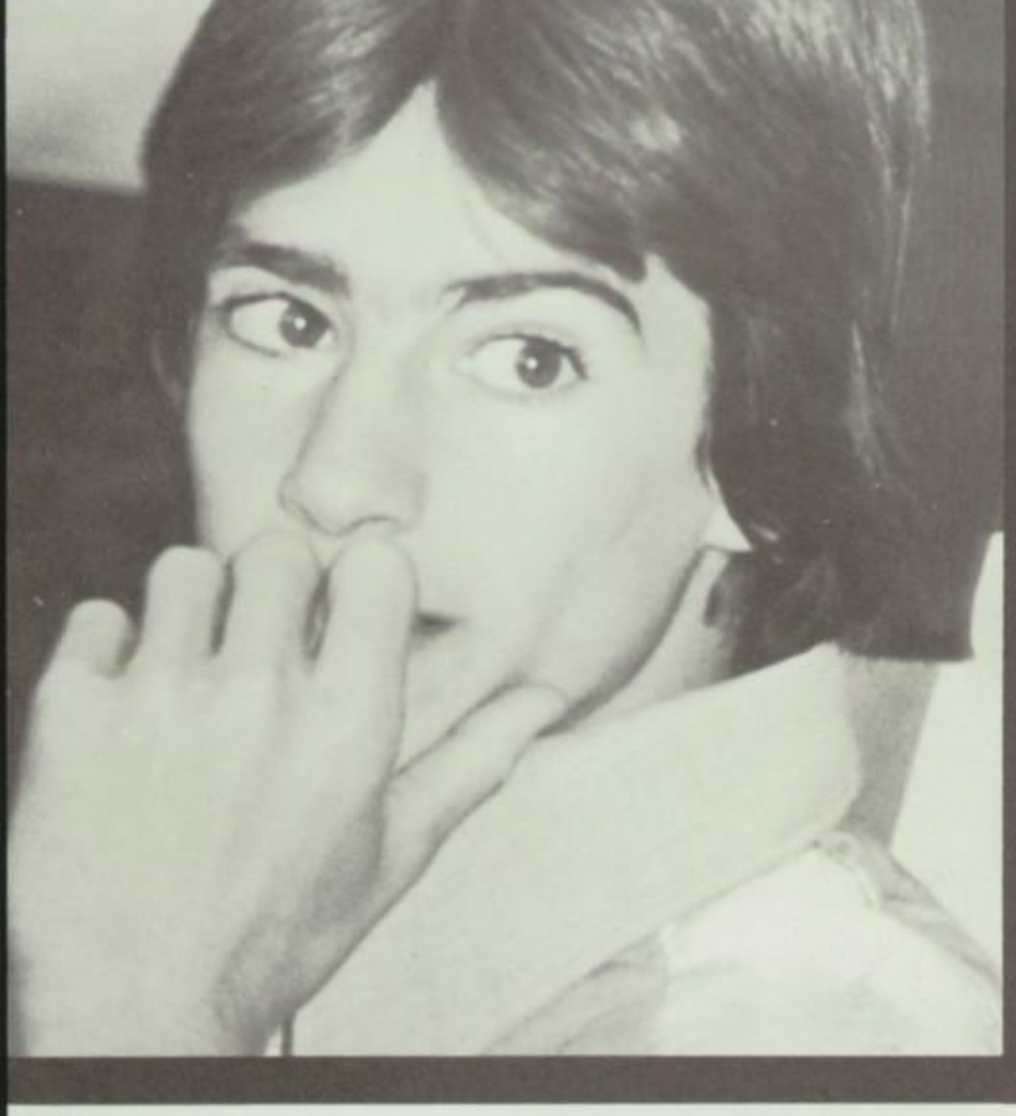
Melinda,

To a goofy chick I've known since 7th grade. Do you still pick on Rob? (The guy on Bus No. 7) Good Luck in the future with that special someone.

Luv,
Denise

It won't be easy saying good-bye to this school . . . to these friends





but I have so much
more to learn
about the world
and about myself
and it's time
to get started.

Melinda,

To a girl who I met many years back. Remember all those times at lunch. Don't forget when we decided which guy was cute and which ain't. Even though guys I picked were cuter. Have a lot of fun in the future years at Central.

Love,
Sherry

I only know
that wherever I go,
whatever I do,
the days I've spent
right here
will always be
a really special part
of my life . . .

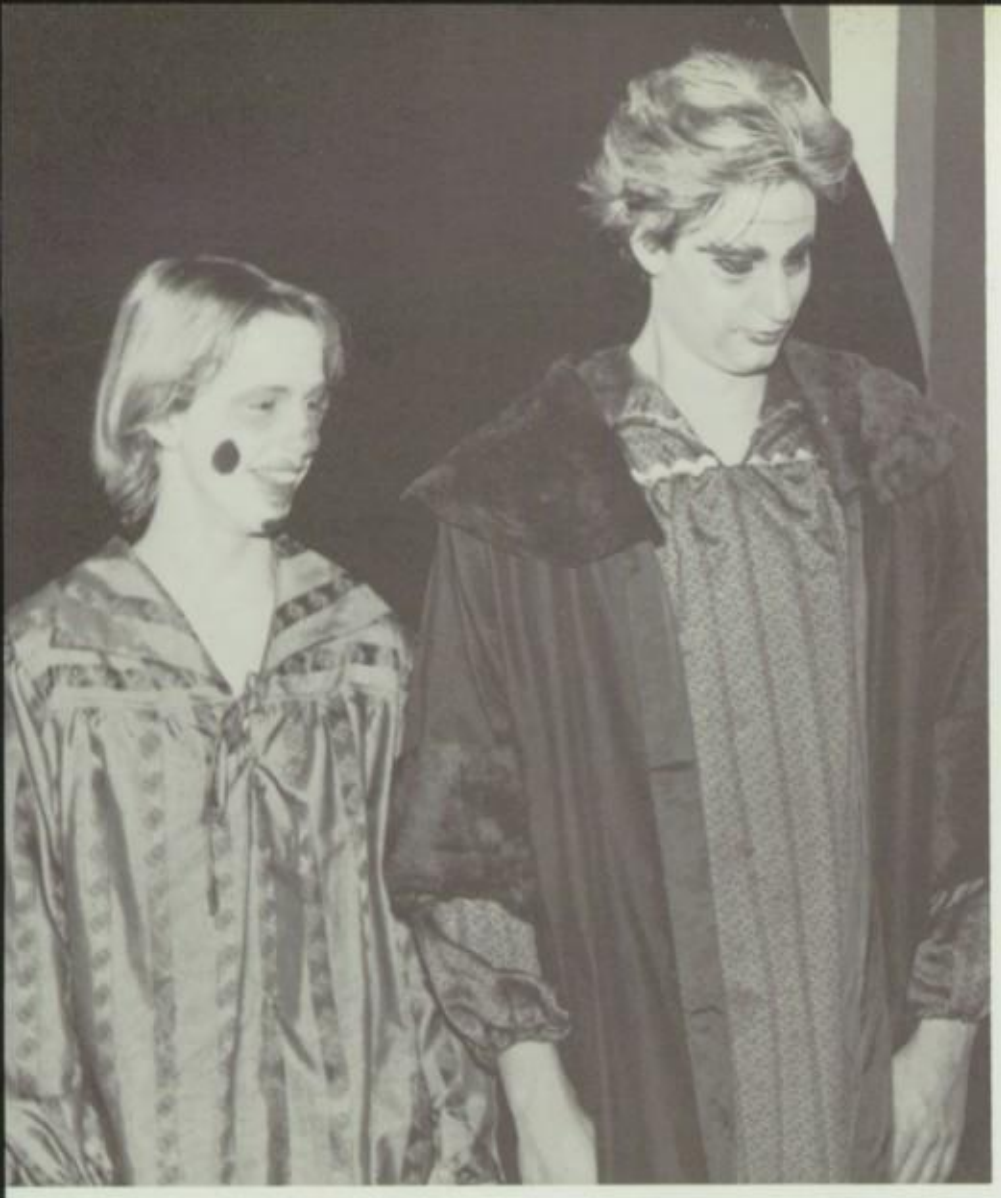
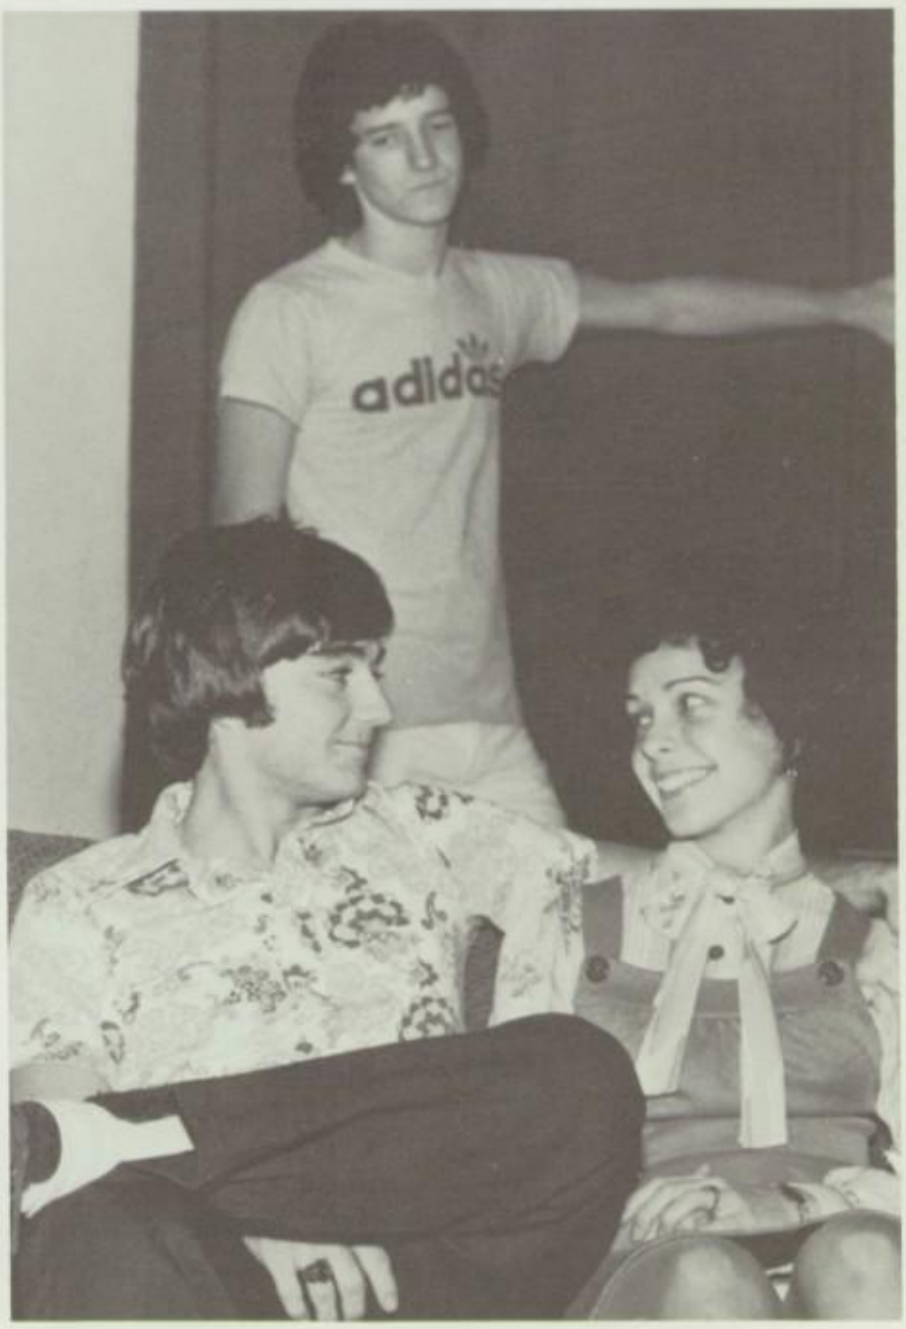
To recall the past and illuminate the present, the mosaic of our individuality sometimes strident, always honest, reflects forward the multicolored hues of our desires. Whether or not we do find what we are running for, this yearbook presents our uniqueness as a melange of colors in the lightness of unity.

This Is Dedication

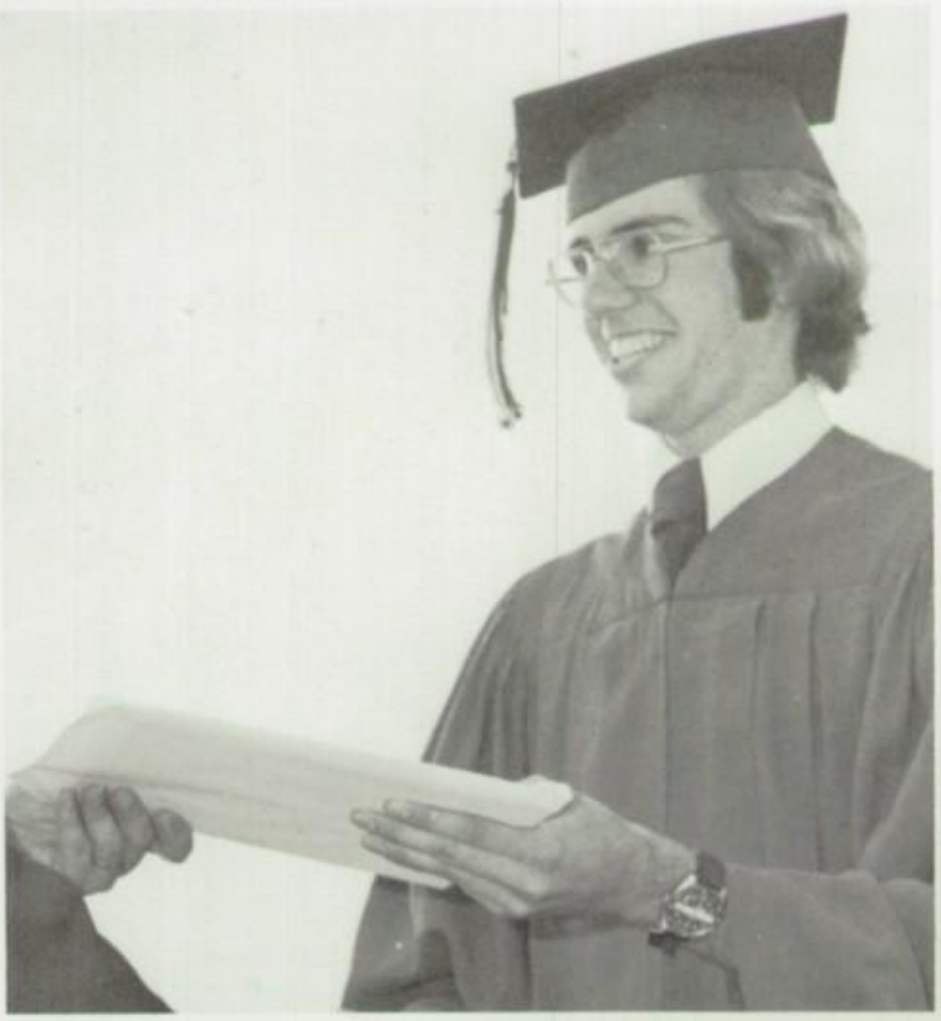
Three years of attending float meetings, working with class projects, scheduling and rescheduling, filling out transcripts, and finally graduating her first class. The 1977 PANTHER is dedicated to our beloved guidance counselor and advisor, Mrs. Marilee Kessler.

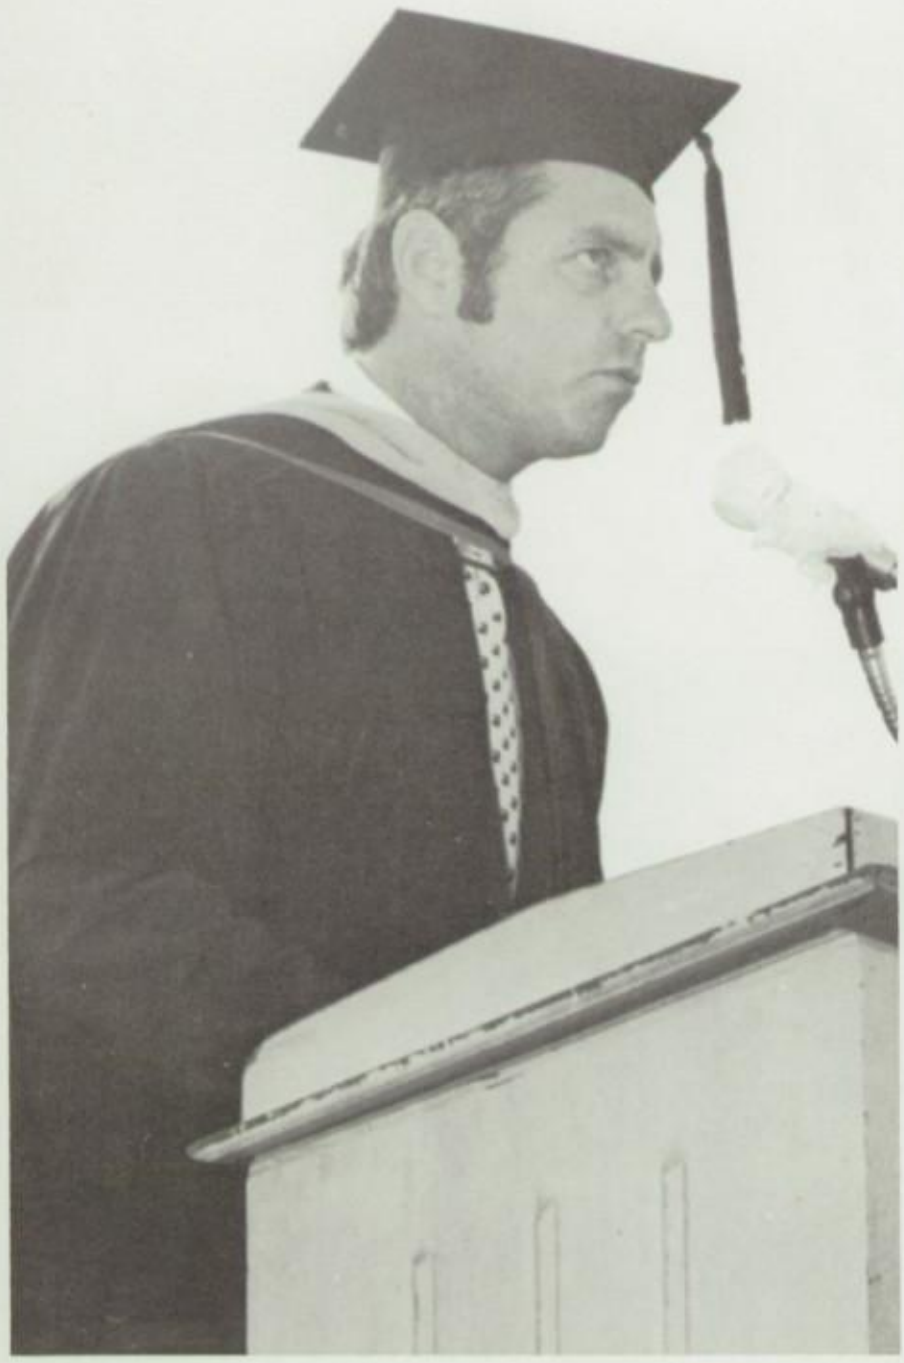


Our sincere appreciation of all you have given cannot be expressed in these words, but in our striving in the future. Your dedication shall linger in our minds. Thank you for your concern for us as people.



EVENTS





A quiet revolution is bursting the seams of our lives.

On May 15, Wisehaven was the scene for the Class of 1976's last official night out as a class. The theme "Time in a Bottle" was appropriate as the seniors hoped to capture some precious moments to preserve forever.

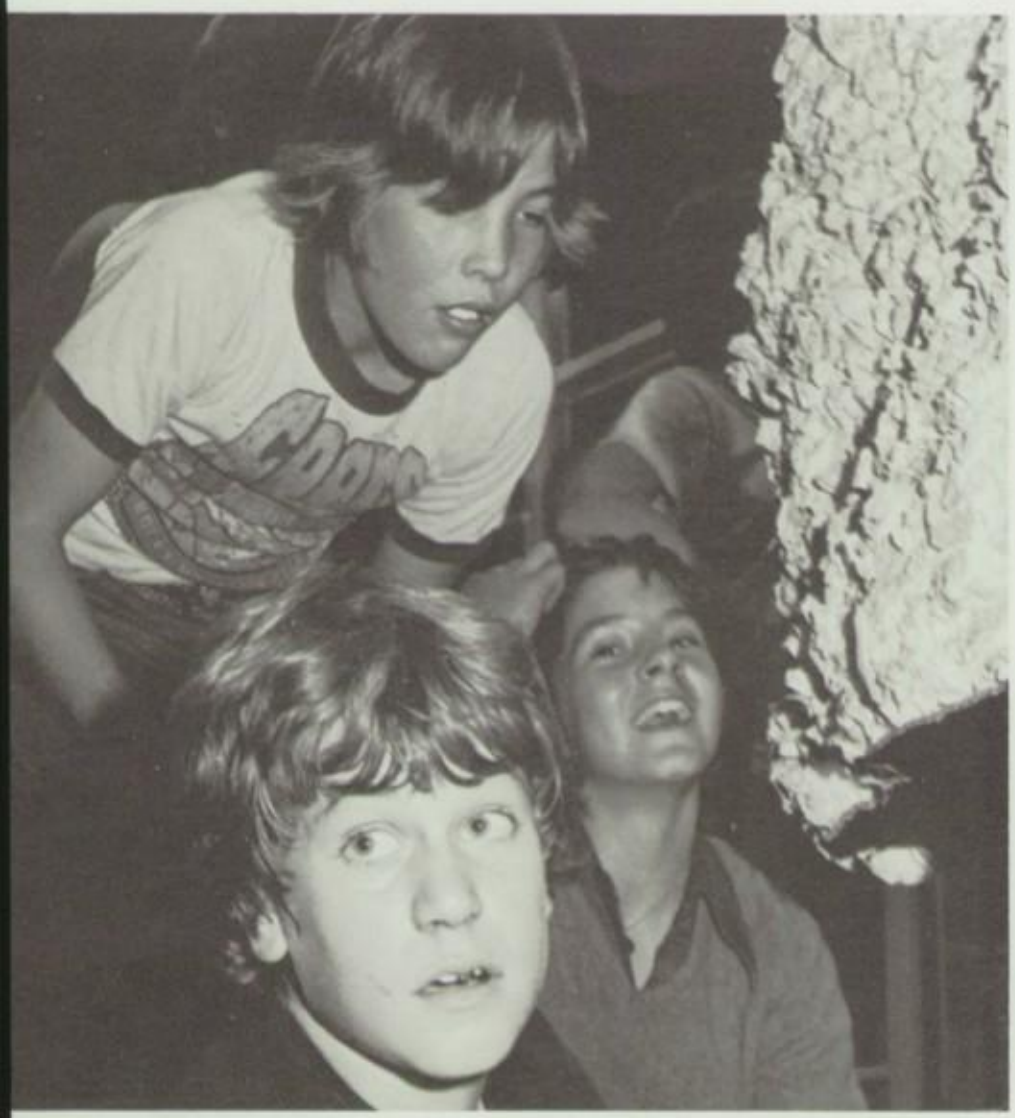
Amidst sunny skies and a cool wind, the Class of 1976 gathered together on June 7 for one last hurrah. As relatives and friends looked on, Central's football field was transformed into a graduate machine. The class had arrived as Seniors, but they left as graduates free to explore a new world that was ahead of them.

GRAND FINALE

Homecoming was and always will be a meaningful facet of our lives here at Central. It kept us together over the summers. Many of our best heart-to-heart talks came after we had been fluffed out! Most of all, we learned more in preparation for that important weekend than we ever thought possible.

"Homecoming 76"

"Precious and Few"



Our Senior Homecoming climaxed Friday afternoon when Miss Cindy Rutter announced the 1976 Homecoming Queen and her Court. The Central High School student body selected Miss Robyn Driscoll to preside over the festivities.

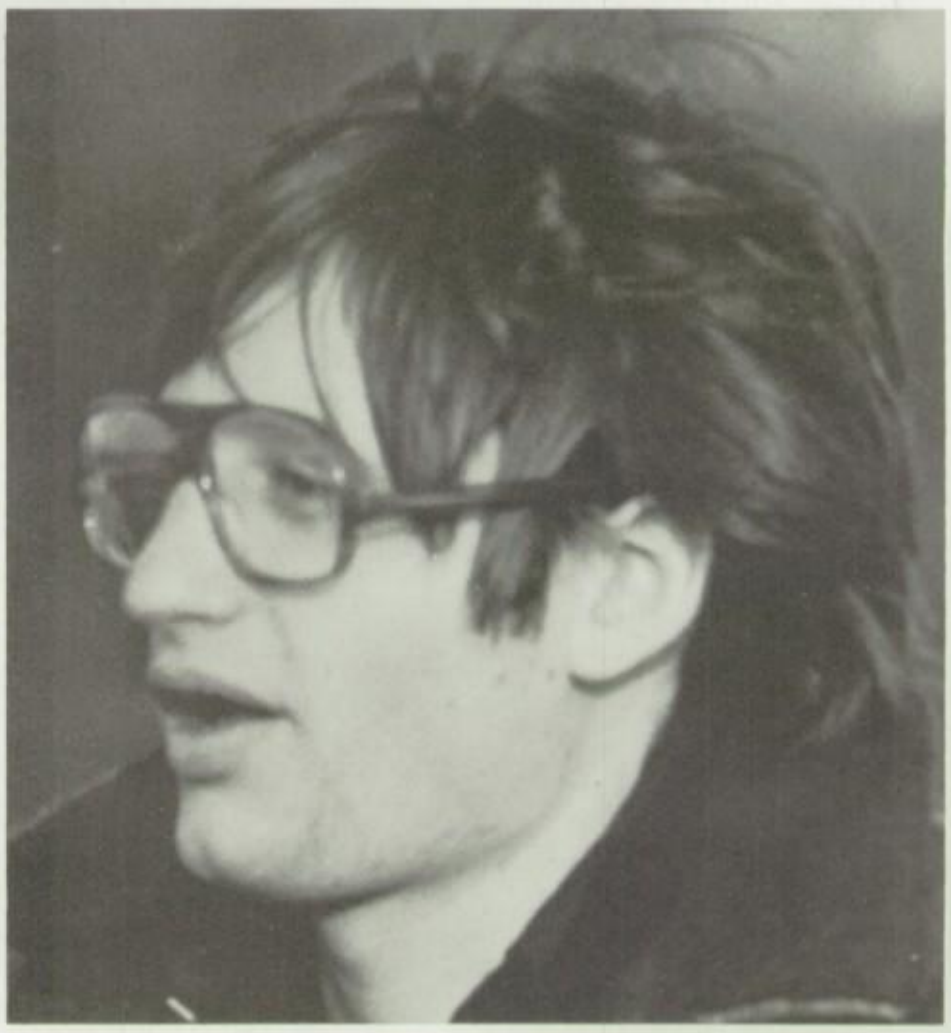
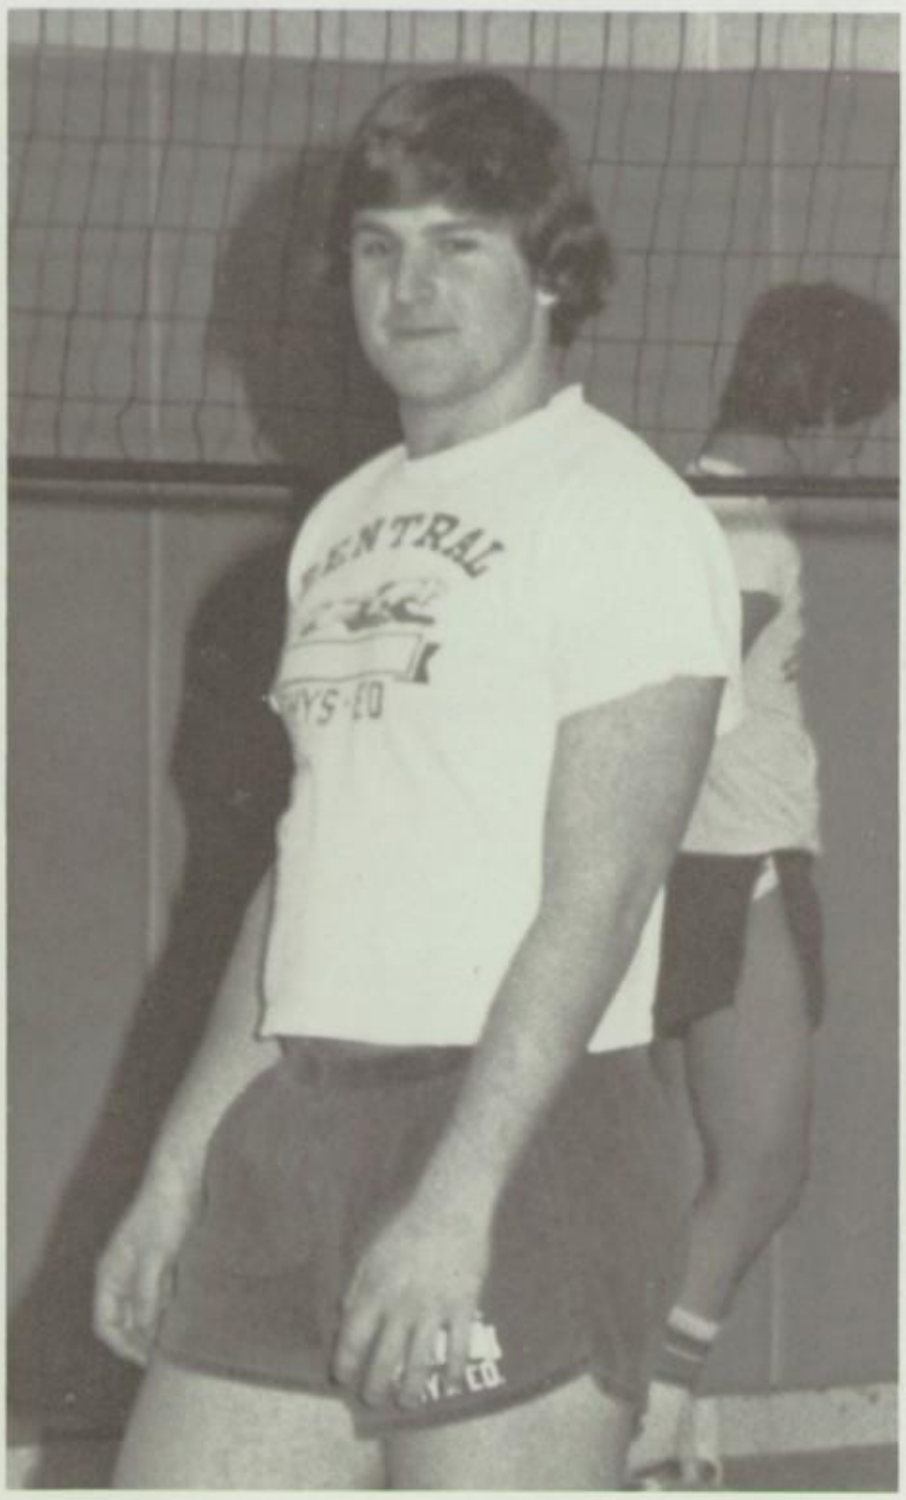
Saturday morning brought heartbreak as we awoke to find a small scale hurricane brewing. The parade and game were postponed much to everyone's disappointment, but the frowns turned into smiles when it was learned that the senior class had captured the coveted trophy. Finally we had succeeded in possessing what we had struggled for.

Saturday night, the cafeteria was transformed into a ballroom with the theme of "Precious and Few," the Homecoming dance brought to a close the 1976 Homecoming Weekend. Although the weather had dampened the grounds, our spirits enjoyed the events which will live as our Homecoming.

SENIORS





An uncharted region each of us dares to travel through unmatched possibility.

Today We Follow . . .

the opening phrase to the motto of the Class of 1977. Working, learning, looking for fun, and always spirited, we've made our paths through Central.

We began a Sophomore year a little frightened, hesitant, but anticipating something new. As Juniors we took a step upward on that ladder of life. Not so frightened or hesitant, for in our minds we could see our Senior year approaching quickly.

And now that we're planning for the rest of our lives, we wonder how the past three years could soon be over. We've changed and grown, and our anticipation looks forward.

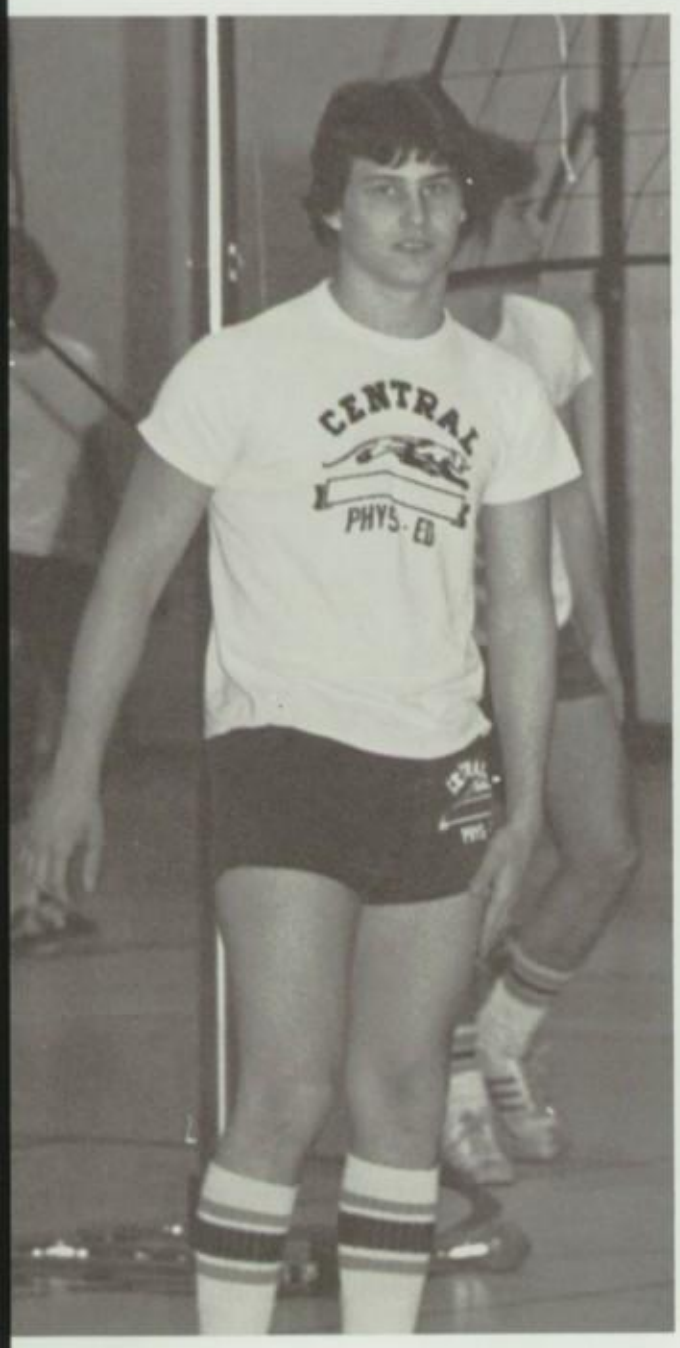
We will graduate with memories of our class projects, the swim party, "A Gap In Generations" as our Junior class play and our Senior class play, "They'll Hang You In Nashville," remember winning the coveted float trophy in our Senior year, our Prom "Evergreen" on May 14, 1977, and Commencement June 7, 1977 with our class colors, forest green and cream and the flower, yellow rose.

Yesterday we planned, and today we reminisce but,

. . . Tomorrow We Lead

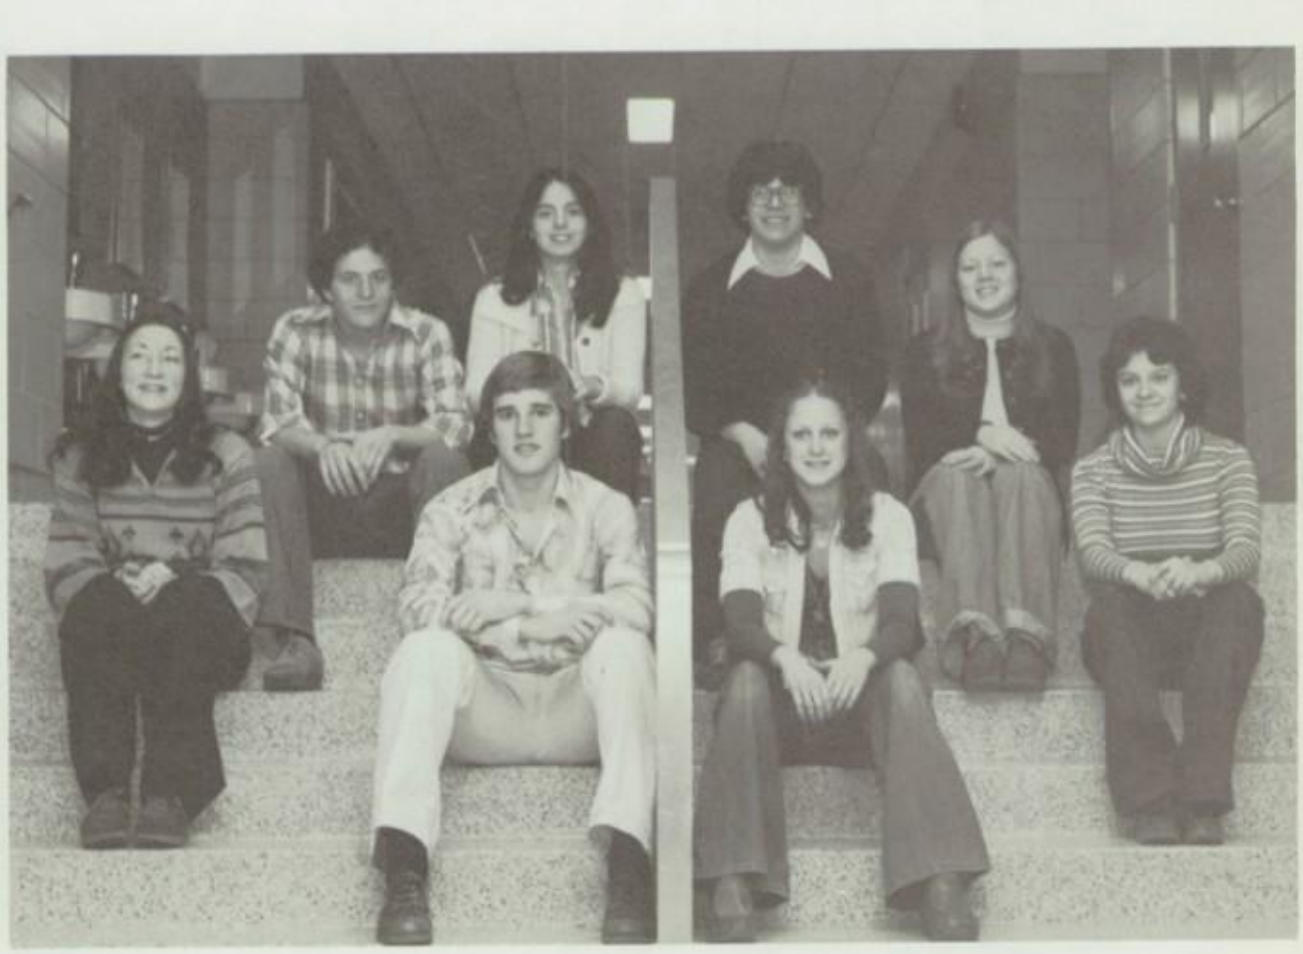
Officers

Left to Right: P. Messinger, S. Dennis, J. Dinterman, R. Driscoll



Advisors

Mrs. Klinefelter, Mr. Roser, Mrs. Kessler.



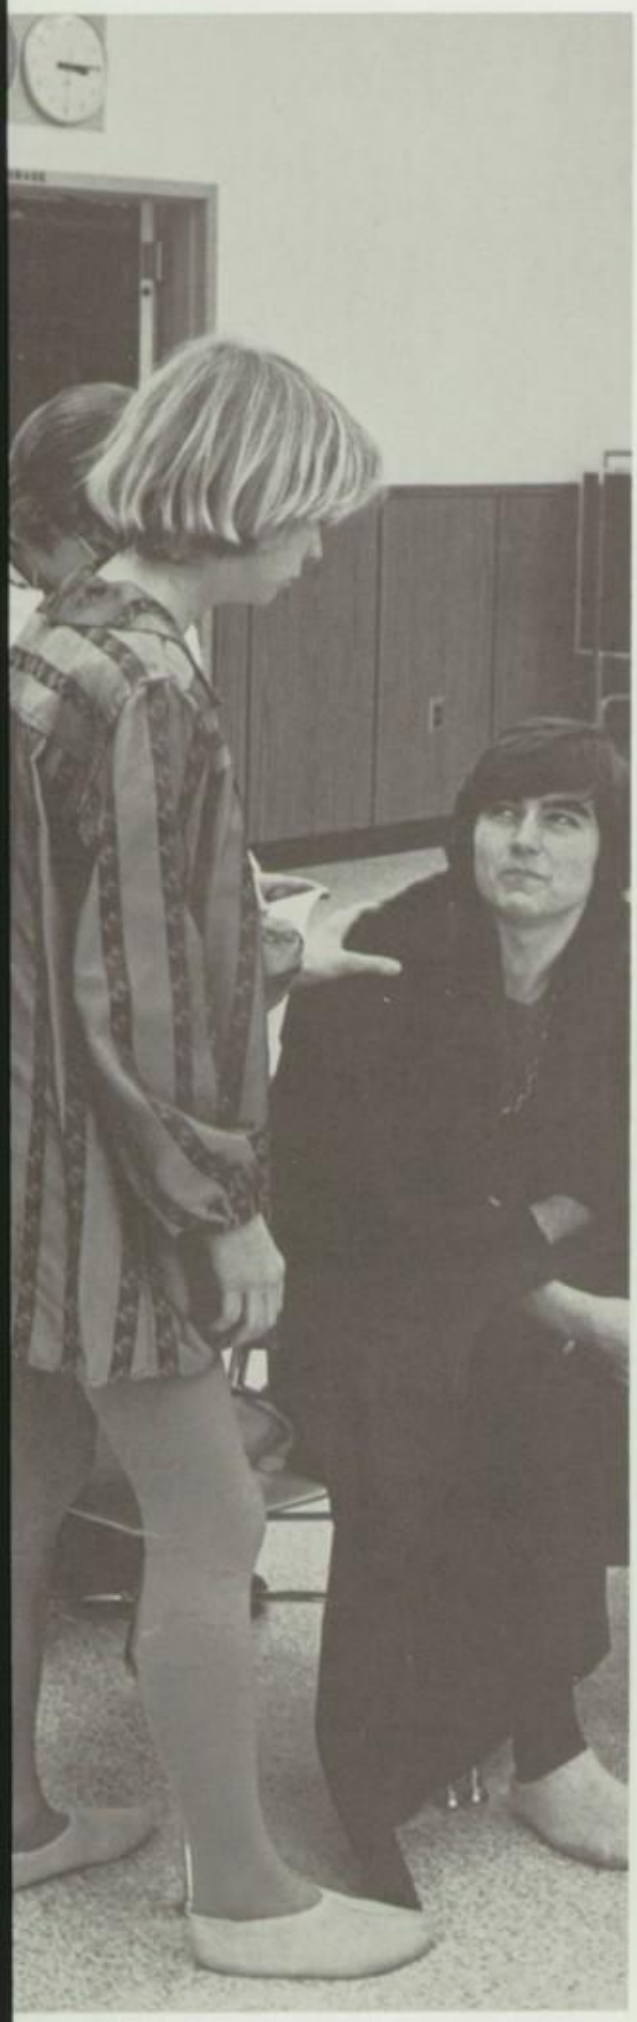
Representatives

Left to Right: P. Messinger, B. Heidlebaugh, T. Blankenstein, K. Huber, J. Moschella, K. Myers, T. Rohler, R. Driscoll

None thought it could be done. Panic began to show on the concerned faces involved. With only two weeks remaining, the scenery wasn't completed, actors were forgetting their lines, the scene changes were terrible. In short, the most important project of the '76' juniors seemed destined to be a flop.

Contrary to the last statement, the play was a success. A GAP IN GENERATIONS was presented on April 30 and May 1; two days of pride for the juniors involved and a lifetime of memories.

Comedia del Arte



The Senior Class made their final debut on December 2nd and 4th with "They'd Hang You in Nashville." The first western farce attempted at C.H.S. turned out to be a hilarious success. With the cast arousing the audience's humor, the crowd left with smiles galore, and the class treasury in a little better shape.

The cast of comedians included Richard Calhoun, Will Camp, Jane Dinterman, Russell Esterline, Zan Gill, Scott Hartman, Bill Lux, Dave McCarthy, and Lonny Trovinger. Mr. Martynuska and Miss Rupp served as directors with student director Missy Shuff.

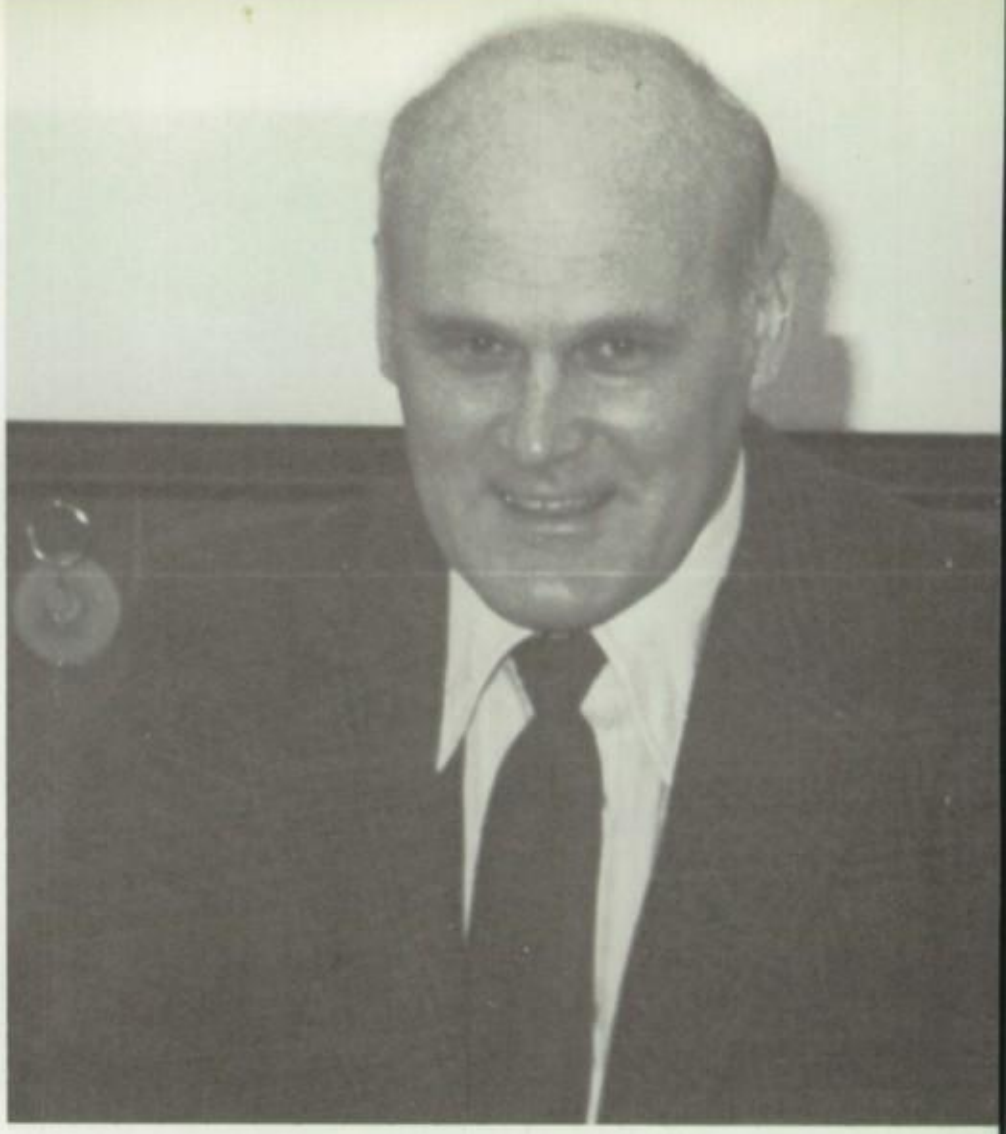
Thanks . . .

As teachers and advisors, the concerned involvement given many times over, made you close friends to all of us. Helping us as a class as well as individually, you tried to steer us along with humor and commitment. If we had a problem, your concern for us as people, not just students, warmly reassured us of our potential.



MR. WILLIAM STANLEY
Sophomore Class Advisor

MR. DANIEL ROSER

MRS. DONNA BRADY

MR. DARELL WINTERS

The sincere and genuine efforts you made, striving through all the arguments and factioned quibbles to keep us going forward together, became more apparent to us as we grew. We never fully appreciated the tremendous effort and caring you gave to our class.

Thank you for helping us through all the hard times. You were there when we called - even when we didn't.

Prefinale

As their last year quickly approaches, memories of Central are still close in touch. Memories of arriving at C.H.S. unlike all other classes as upper classmen to the new freshman, winning the coveted float trophy in their first year, carrying the Swim Party tradition and a class play.

The class chose the white rose with the colors navy and white. Their motto "Learn as if you to live forever, live as if you were to die tomorrow" shall represent the class in all they accomplish. The Juniors received the devoted advisors Mrs. Brady, Mr. Cassel, and Mr. Krape who aided a prosperous "Prefinale."

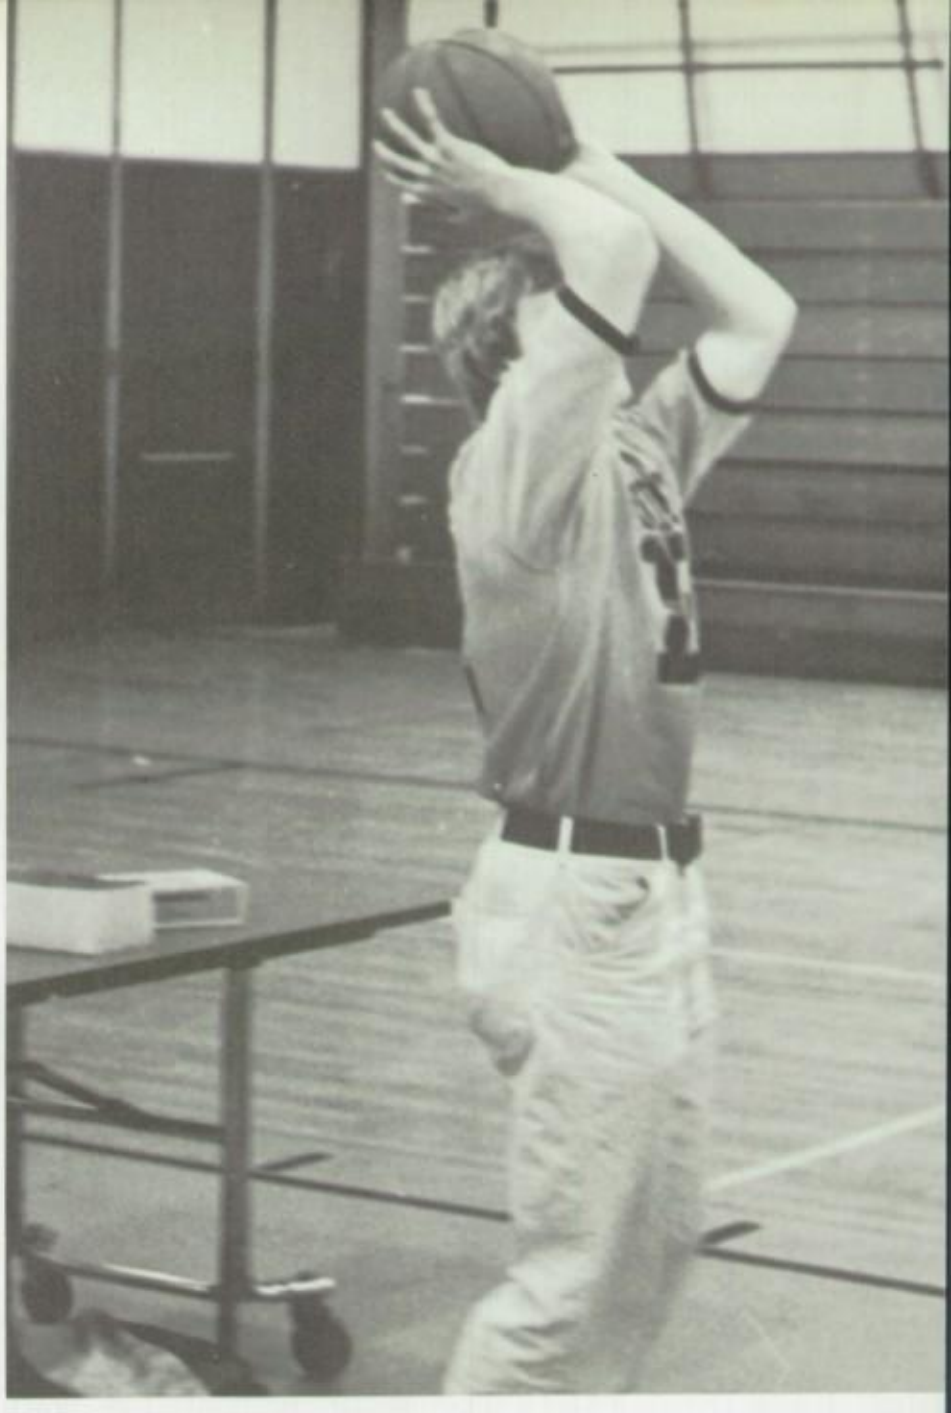
Reaching Upward

What do selling shoo-fly pies and a pool party have in common? According to the Sophomore Class this is the way to build a bank book. There isn't a club or organization that a sophomore can't be found. With one year under their belts the ''sophs'' did a great job in all they were involved, with the help of Mr. Deffinbaugh, Mr. McElwain and Mr. Stanley, as advisors.

Their motto ''The road to success is always under construction'' - the white rose bud and the colors light blue and dark blue will represent the class as they are ''Reaching Upward.''



Mr. McElwain, Mr. Stanley, Mr. Deffinbaugh

1st Year Vets

With one year of operating in a high school environment, the freshmen are coming off the somewhat traumatic experience of being an eighth grader at N.H.J.H.S. The first year vets are under the supervision of Mr. Doll, Mrs. Sheaffer and Mr. Shuman.

Choosing blue and gold as class colors, the carnation as their flower and the motto "We judge ourselves by what we have done, while others judge us by how much we have done" - the freshmen have now gained enough knowledge to roll-up their sleeves and tackle the next three years at C.H.S.

Mr. Shuman, Mrs. Schaffer, Mr. Doll

great party you had. i had really enjoyed my self. keep up your great personality + your great looks, your big smile. Good luck in hockey make surd the sticks stay on the ground instead of hitting you. Good luck in the future

The Class of 1977 has chosen for its class motto the following words: Today we follow, tomorrow we lead. A most commendable choice; however, the first part of the motto can easily negate the last part. Today you do follow - but what have you chosen to follow? If you have chosen well, indeed tomorrow you will lead. If you have chosen foolishly, all chance of leadership will have slipped from your grasp. Even now as you depart from Central Senior High School it is not too late to reevaluate your choice. Choose well for truly all of us look to all of you for the leadership we must have for the future.

Good luck and God bless each one of you.

Administering Standards

Congratulations to you, the Class of 1977. Your class motto - "Today we follow, tomorrow we lead" - suggest that you are mindful of the on-going need to prepare for new challenges and responsibilities. While graduation marks an end to your formal public educational program, it should be regarded not as a conclusion but rather as a milestone in your preparation for leadership. Now as in the past, you'll need to continue to broaden your visions, fortify your convictions, practice temperance, promote justice, exercise prudence, and seek to better understand your world and your fellowman.

As you pursue these worthy goals, I pray that God will bless each of your lives with purpose, productivity and satisfaction. Lead wisely and share the warmth of your friendship with others as you have so graciously shared it with me. Thanks for the memories.

William H. Kralowetz, Jr.
Assistant Principal

To the Class of 1977: Hopefully your theme, "Today we follow, tomorrow we lead" indicates that we at Central Senior High have given you the tools you need to be the leaders of tomorrow. With the many talents displayed by the class of 1977, I am sure that from your ranks many of tomorrow's leaders will emerge. Good luck to you and thank you for leaving with us many fond memories.

What happens once a week, but needs countless hours of preparation, requires 140 instrument players, nine baton twirlers, twelve colorguard, seventeen flag bearers, a rifle corps, and serves as a representative of the school body and spirit? The Marching Band of course! What would the football games, much less the eight minute half-time be like without the cheerful and hopefully harmonious sounds winging their way to the ears of the spirited Big Orange fans.

The Panther stands are packed, and as the band moves off the field, everyone awaits the Big Orange Powerhouse as they move out and take over with an air of assurance.

The coin is flipped and the game has begun. The cheerleaders are shouting, the band blaring out chants, the crowd screaming with excitement, and the Panther Plane cruising the skies.

Leading the team, Coach Rowe pulls together a spirited team for an action packed season.

Melinda,
So a cool dude. I'll never forget you. 6th grade was fun. Remember when we had to get our lunch at lunch time and then go to classes? Remember the pumpkin patty? Remember the years. May I wish you all your dreams and more. Lauri "80"
Thanks for helping me out with all my broken arms and stuff. I'll never forget you and the fun times we had together. Have a great summer. Good luck in all your future endeavors.
P.S. Good luck in Hockey!

The C.H.S. Hockey Hackers started off the season with many tough games but had a good come back ending up with a 6-8 record.

True team work was shown in this group of girls as they strove for their ultimate goal, the satisfaction and pride they derived from this game was invaluable.

Batting the Breeze

Contrary to popular belief there were many, many balls batted this past spring by 18 dedicated girls on the softball field.

The girls, once again under the direction of Coach Donald Poet, were proud to place second in the Dallastown tournament with a 6-2 season this being only their second year.

Track

The cindermen sprinted into competition showing fine form this year under the timing and precision of Coach Myers and Coach Shuman.

Despite endless hurdles, continuous laps, and a few false starts the team finally relayed to a 6-3 record.

The year was highlighted by Paul Zielinski who pole vaulted 12'6" over the present school record.

The effects of Hack's Sewer Rats is certainly to be respected for their practices and dedication of talent. We are looking forward to an unbeatable next season.

Bump! Set! Spike!

These were the cries of the 1976 Girls Volleyball Team. Following their devoted leader, Coach Spangler, the girls showed many bright signs of having a championship team as they took second place at the Lower Paxton Tournament.

Even though the team possessed lots of enthusiasm, drive, and skill, the rigid competition proved to be more than was anticipated. The girls captured third in the YCIAA League competition, completing the season with a 7-6 record.

Moving Out

The renaissance of our Girls Track Team has brought to light the talents of many dedicated girls.

There was an outbreak of broken individual records highlighted by Laura Carroll who placed second in state long jump sweeping along with four of our school records.

Running along with Laura were four members of the team who relayed to bring home the first place trophy in the Suburban Relays.

The team finished with a 3-3 record but after viewing individual accomplishments it is evident that the Girls have had a successful season.

The tennis team this year had tough competition, but with the guidance of Coach David Ehrhart, the team came out with a 5-5 record.

George Shull, the top racketman of the 1976 season, headed the team of energetic power players.

The doubles team, consisting of George Shull and "Jack" Gehm, took fourth place in the county tournament.

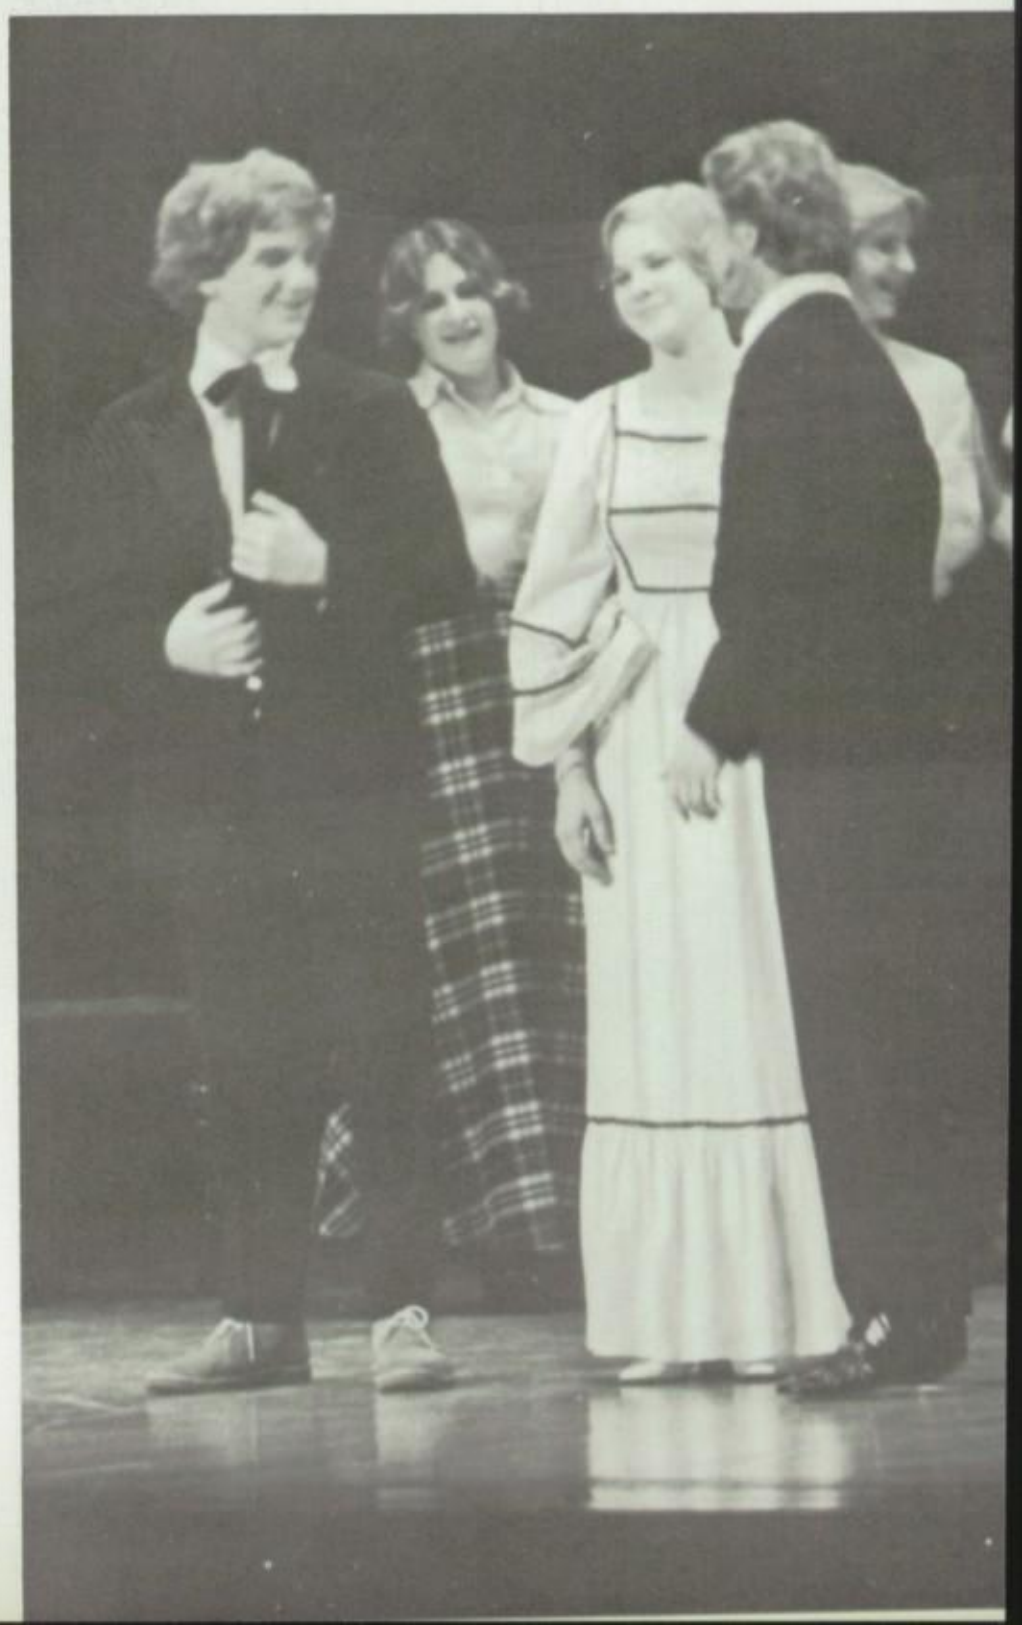
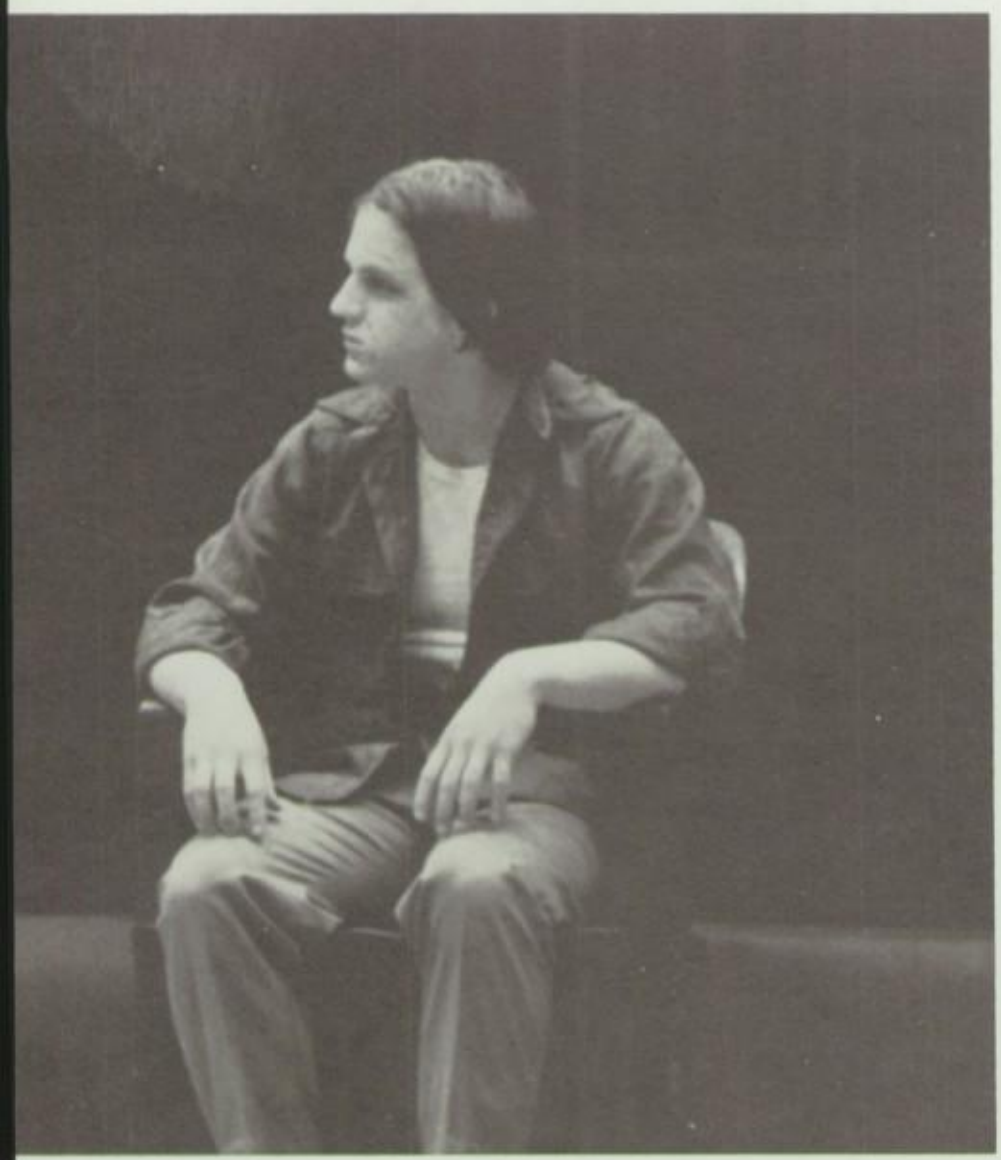
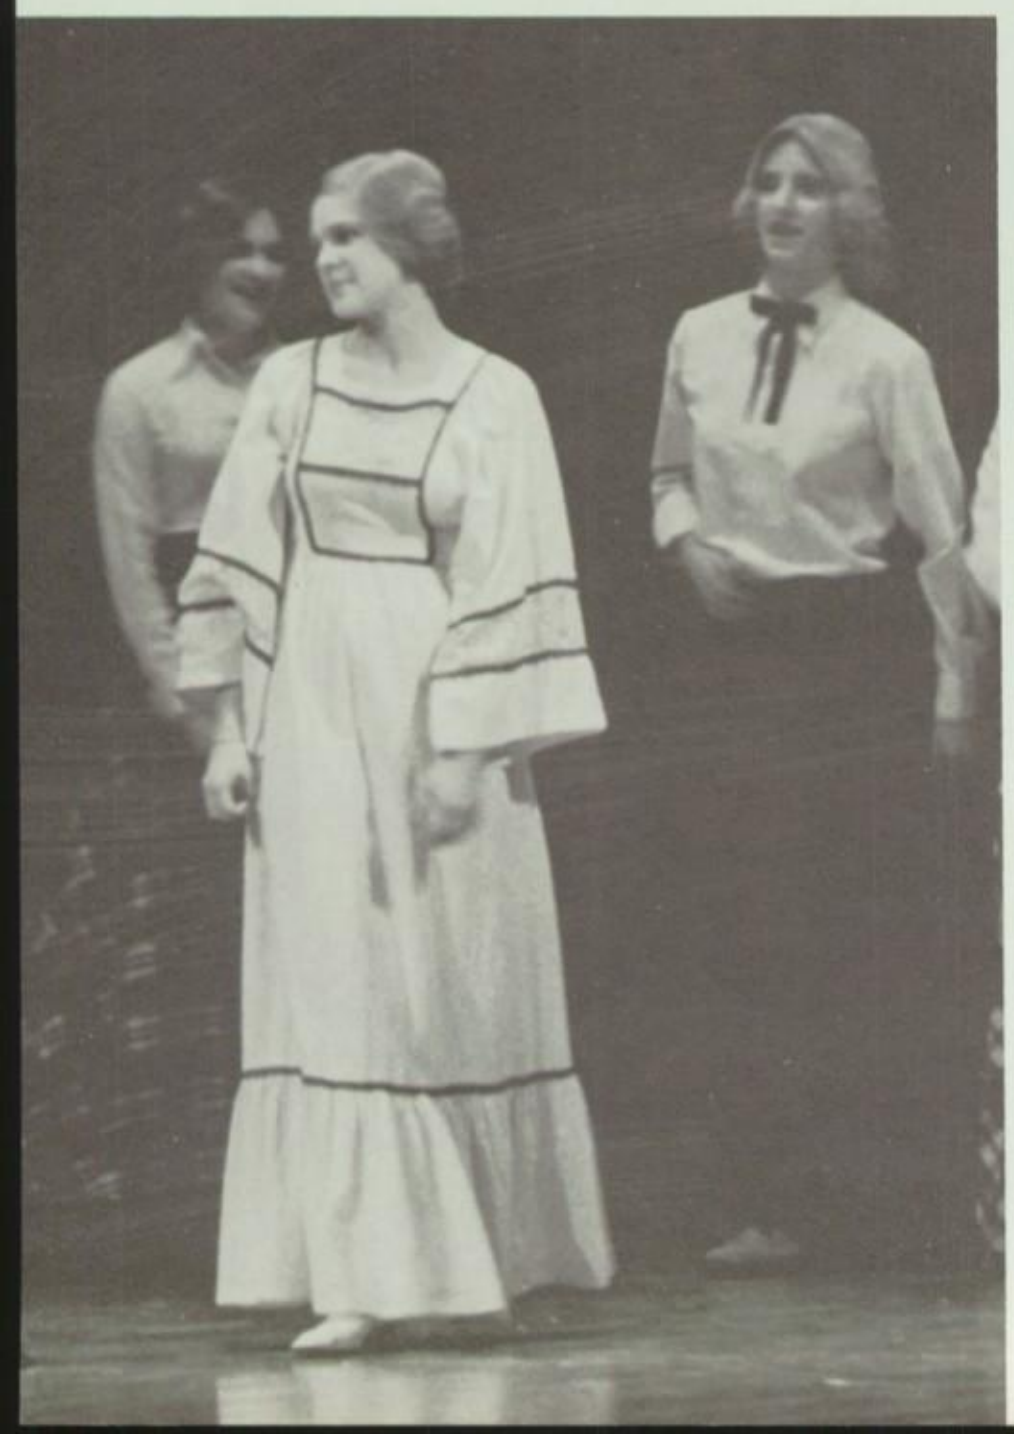
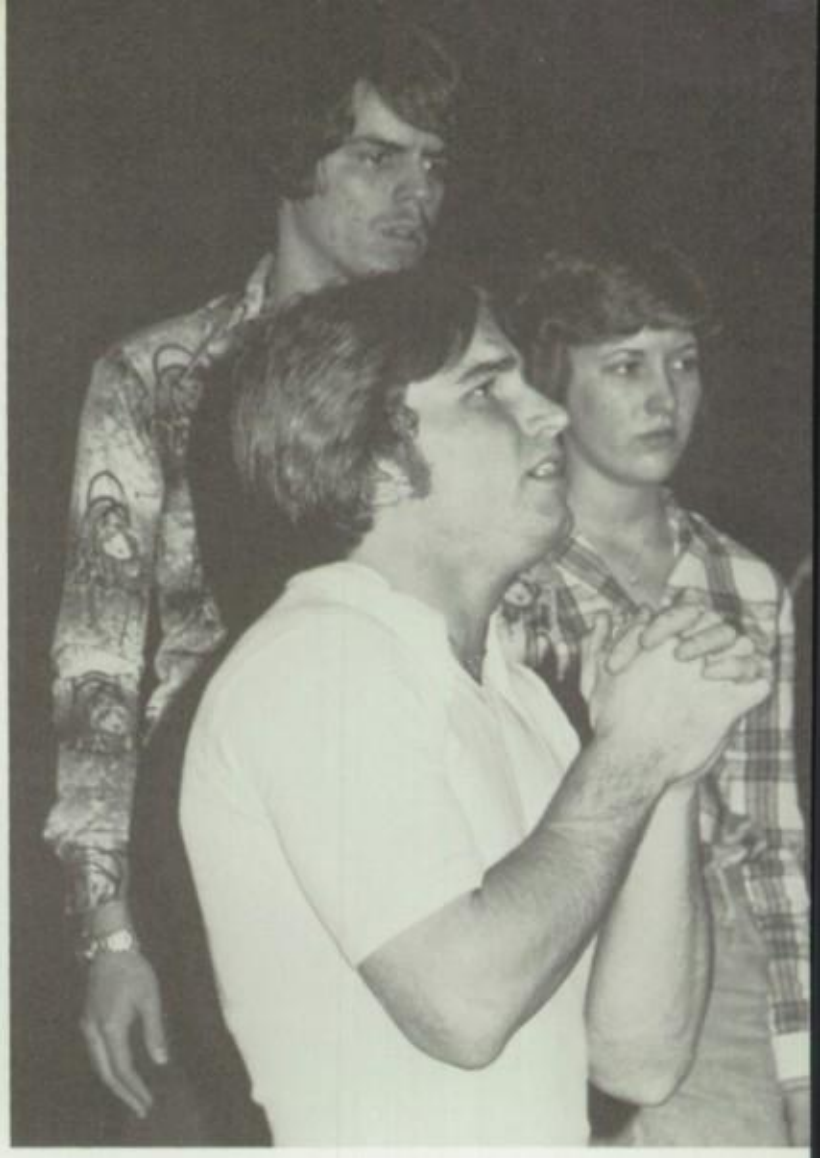
The C.H.S. Dramatics Club held their annual night of three one-act plays, Thursday, January 20th and Saturday, January 22nd, in the high school auditorium. Presented were, "The Last Leaf," "The Devil and Daniel Webster," and "The Valiant."









As the curtains part, on stage the Spanish music blaring from the pit, and actors and actresses anticipate the sea of staring faces. So goes the show as the 1977 musical "Man of La Mancha" is presented under the direction of Mr. Martynuska and Miss Rupp. The performers were easily mistaken as a group of the "pros."

Central High School athletes found a winning combination when the Boys' Varsity Club and Girls' Athletic Association united into one club. Varsity Club

"When our feelings get so tight, they hide themselves behind the words by which we try to express them." Well, another year in my life. It is so hard to believe how fast it passed, but when I think of everything: my friends, my family, my everyday life, I see that it was a wonderful year full of great moments. I have a lot to learn yet, a lot of people to get along with, and hopefully, I'll never stop considering everybody as a person. At this time, I want to thank you all for being my friends, and for filling my year with love and enjoyable memories, for making my dream come true. I'm so glad I had the opportunity of knowing you all. Thanks once more and I'll come back to see you again.

Love you all.

Nelson

Putting It Together

How to put together a yearbook? Typing, drawing layouts, cropping pictures, writing copy and the list goes on, full of all the mechanical factors. But any staff member would verify this list doesn't include the main objective of capturing the spirit of the school. Sure, you have to go through the necessities I mentioned earlier plus some. We've had our problems, arguments, and fights on too, of all this, but here in your hands is the ultimate product and all this is behind us. Now, I hope you will enjoy all the work that went into this book.

A special thanks to those of you who gave so much of your time and support.

On the "Prowl"

There is much work going on behind the scenes prior to distribution day of the PROWLER. The Prowler Business Staff concerns itself with ads and selling papers long before the writing is begun. Along with the business staff comes the responsibility of the Editorial Staff which includes many extra hours of work, which involves selection of articles, cropping of pictures, layout and many more details in preparation of the finished product.

Market and Beaver was an important corner then...

...and it's important today!

In 1810 the York Bank opened its office on this historic corner. It is the oldest bank in York County and the third oldest bank in Pennsylvania.

Today the York Bank has 18 offices in York County and has grown to a full service banking institution with assets well over a quarter billion.

The light fixture at the bank's Beaver Street entrance is the original. We treasure York's past even as we work for York's future.
